Dear Sir, -

As Mr. Kerr is not
feeling well he requests me to reply
to yours of the 18th inst.

We are not acquainted with
H. L. Johnson of Kansas City.

The only pupils by the name of
Johnson who have attended our
institution are

312
Charles Johnson of Agency Buchanan Co.
Andrew J. Johnson "Donella Douglas
William M. Johnson "Fulton Mo.

None of these were sufficiently
advanced to enter as students of

Missouri Institution

—for the—

Education of the Deaf and Dumb.

Fulton, Mo. 188

Your College, so the inference is that H. L. Johnson told a falsehood when he said that his son had been a pupil of the Missouri Institution.

We regret that your confidence has been abused. It is to be hoped that you may yet find the man and compel him to pay the debt.

We are glad to hear such a good report of our young friend Henry Cross. Mr Kerr and I send him our regards.

Mr Kerr sends regrets that he cannot write to you, and tenders his regards.

Yours truly

Wm S. Marshall

Dear Mr Wright-

Mr Warren is
all right now. and Mr Park
has a Cataract-over one eye
which had better be left alone-
The other has been subjected
to a glass that-is entering to
shine. and which he has
used for all purposes. I
have given him a weaker
one for the distance & one
of less than half the
strength- for reading. These

I have put in a reversible
frame and I imagine he
will do me.

I have been
trying to buy Mrs Lewis
and Mrs Salmons since she
sent Mrs Wyls-kind note -
but some sick man has
intended always I trust
that to day we shall be
Mrs Puckey - in haste

Dear Sir. ^{and} ^{favornably}

I come to you
again in regard to the
child spoken of for the
Institution at Media.

You probably know (as I
wrote you) why we did
not follow up the matter
in the early Summer. - but
I will repeat it here.

She has a Grandmother
living in the County. ^{and}
it was proposed that she
should be taken there on
trial. but with the promise
on our part to receive her
in case they could not

Pup her. - this they say
they cannot do. So we
expect her soon in W.?

I regret extremely to
trouble you again with
this matter. Wh as one
of our Com. I have
been requested to see if
we can still secure a
room for her in Media,
and thus must ask what
now is to be done.

Should you think it desirable
Mr Leonard or Dr^r Ryburn
will go to the Secretary.
wh I will ask you to send
me a line in reply as to
what course to pursue.
& gratefully oblige Yours with regard
Wm Leonard.
