Dear Prof. Gallaudet,

I thank you for so kindly writing of Henry's misconduct. We are deeply grieved to know that he has not sufficient strength of character to resist the wish to do wrong.

If, while he is under such sheltering influences, he disappoints us, I fear we cannot expect much from him when left alone to meet life's temptations. I sincerely hope that this sad lesson may effect a change in him that shall be lasting.

We are more than grateful to you for the patient kindness

he has received and trust
that he will yet learn to appreciate it.

I shall take an early opportunity
to see him and will write you
of our interview.

I hope to be present during a part
of the session at Northampton, and
to have the pleasure of meeting you.

Very truly yours,

Sheak-Tulle.

President Gallaudet,

Dear Sir:

I delayed writing you until I should hear from a larger number of Principals.

Twenty-one have now signified their intention to be present, and no one has yet said he cannot be present except Mr. Wilkinson, who Dr. Gillett said would not be here.

You may be interested to know the Insts to be represented, I will enumerate, Western Penn., Ky., Boston, Mr. Greenberger's, Ohio, N. C., Md., Phila., Ala., Rome, Buffalo, Providence, R. I. Hartford, Tenn., Staunton Va., Neb., S. C., and Whipple's Home School.

Dr. Gillett, your brother
and yourself complete the
list as it now stands.

I shall probably hear from
others in a few days. I think
it must be that Dr. Peck
and Mr. Westervelt will be
sure.

I hope very much that
we shall have an interesting
and profitable Conference.

I regret that you have
not a paper. Mr. Greenberg's
on the "Combined Methodist and
Mr. Poyntz's on the "Paramount
Importance of Primary Educa-
tion" are the only ones now
mentioned.

Hoping to see you
soon,

Yours truly

Dear Sir

Yours of the

3^d inst at hand. and I am very
sorry that the Sugar is not
satisfactory. Sugar has been
very scarce this season. and after
receiving your order. We engaged
of a good Sugar Maker to furnish
enough to fill it. It was not up
to his standard as regards
color. but we thought the flavor
was very good. and so sent
it to you. We did not make
anything on the Sugar. but
we are anxious to have the
price satisfactory to you. and

will leave it.

Please write me what
you can use the sugar at.
I think you will find it of
better flavor. than you first
supposed.

My dear Sir - Your letter of 7th,
 informing me of the action of
 of the Directors of the National
 & of Iowa college, conferring
 on me the honorary degree
 of A. M., is received. I accept
 it and the more readily because
 of late years the college had
 been cautious in conferring
 degrees on outsiders. At my
 age - 70 next August - it can
 be of little or no practical value,
 but may, in some measure, serve
 as an inducement to other and
 younger men to live usefully
 and worthy lives. That is the
 way I view it.

Thanking you, the faculty

and directors for the kindness
I remain

Yours most truly,

E. Booth.
