Kendall Green College.

Wash. D.C.

Dear sir:-

I was at your office last Saturday, but you were not in.

It has occurred to me that you would probably want a water color picture of the Green 36 x 50. I am a Photographer and ~~could~~ ^{can} command the service of an artist who has executed such work in colors for some of the largest concerns in the country which include the names of such firms as the Frick Machine works Waynesboro Pa. Syre + Fisher works Sayville N.J. + many others.

The plan is for me to go down and make photographs of such buildings.

The work to be guaranteed.

Respectfully

P. S. I am tired of hearing about it as they are making silly things against you + I want to report to you.

Dr Gallaudet,

Dear Sir:—

I have applied at different D. & D. Institutions for a position as a teacher of the sign-language.

As you said last winter that it was not necessary for me to take the normal-training as I was so thoroughly acquainted with the sign-language, I took upon myself the privilege of using your name as one of my references. In case you should be called upon to testify as to my proficiency in teaching the Deaf, I will

indeed, be exceedingly grateful
to you if you can say a
few words in my favor.

I think it would be well
for me to mention this fact
as it may be to my
advantage. Ever since I
resigned my position in
St. Louis I have been
doing some special work
in the University near home.

Yours Resp.

Mr Gallaudett,

Dear Sir

I feel quite disappointed finding you out. I have been teaching deaf-mutes for some years, but for several years past my health has prevented me from attempting any kind of work. Through your kindness I obtained a good position in the Arkansas D. D. Inst. & would have kept on in the work, but sickness prevented.

I have become quite well & feel anxious to teach again, I will send you letters from my cousin

For Matthew Galt, my physician
Dr. W. B. French & others -
I cannot teach articulation,
I prefer to teach by signs.

I will call again & bring
my letters or send by mail -
I do not know of any vacancy
in the Inst., but make applica-
tion, trusting there may be
some position I could fill when
a vacancy does take place.

Respectfully

Horace H. Veitch

Dear Sir,

I called at
the college last week & left a note
for you explaining my reasons for
wanting to meet you - I send with
this, two letters, one from a friend
Mrs Hilton, 405. E. Capitol St.
principal of Public School & the
other from Dr. French, my physician.
I will see either Mr Matthew
Galt, or William Galt, his brother
& send you a letter from one of them
soon. I make application to you,
trusting there may be some provision

in the Inst. that I may obtain
later on, if not at present.

I will be obliged to you, if
you will return these letters as
soon as convenient. I am not
in town permanently, & would like
to have them before I leave

Very Respectfully

be glad to get a position

I can hear of a better place

Dr. Edward Gallaudet
Dear Sir,

As I have not yet succeeded in gaining a position, I thought you might know of some place I could fill, I wanted to teach, but will be glad to hear of any other position, in or near Washington.

If I had any influential friends I might get an appointment in the Congressional Library.

I am only a few miles out-
side of town, & can come in
any time on business. Will
only be here a short time
& will then return to town.

Respectfully
Theresa H. Veitch.
