Dear Sr: I write to make your inquiries,  
Upon what terms are pupils admitted to  
your College? There are some 3 persons who may  
wish to attend College next year, - I wish to know  
upon what terms they can be admitted,

They should be admitted free for none of them  
are able to pay any thing. Is there any fund  
for paying fares to or from the College?  
Any information you may see fit to give  
will call for my thanks, Hope our Deaf pupils  
are sustaining themselves.

Very Truly,  
J. N. Tate

Jacksonville, Sept 1 90

Dear Mr. Fowler:

The agent of the Wabash R. R here, hopes to secure reduced rate for me from Jacksonville to either Chicago, or Lawrenceville, Ill., -uncertain as to which of the two yet. Therefore would you please send order for reduced ticket from Chicago to Washington and Lawrenceville (on O. & M. R. R.) to Washington, separately. Have no fear of doing so, as I will return the one not used to you, or destroy it, whichever you prefer.

The agent also wants a certificate to the effect that I am a student, to show to the Gen. Passenger Agent of his road. This, he thinks, or rather <sup>one of</sup> knows, will get me a reduced ticket to ~~either~~ of the above named points.

Hoping that you will oblige me, also that I shall soon see you, and with best regards to Dr. Gallaudet, I am, sir

yours Very Respectfully

Dear Sir: One of the two young  
men that expected to go to college  
this year can go likely, to begin  
the 2nd session, say the 1st of Jan'y  
1891, should arrangements be  
made and he go at this time,  
He is a very bright young man  
and will no doubt stand any  
tests in way of examination you  
may put on him, Are your classes  
so arranged that he could start  
at the middle of the year, as  
suggested, to advantage or had  
he best wait till the beginning of  
next year?
