Sir Mr Galladett

I E R Kile was informed that you claim board and lodging from my son E A Kile Esq. Rather told me that if I would send Elijah he would recommend him to you and if he could get a recommend from the senator from our district which is Senator

A. T. Hull he could go to the National Deaf Mute College free of charge except books he got the recommend and told me he gave it to you I supposed it was all understood by you or I should not have left him there now I have arranged to have him come home and

Dear Sir,

I take the liberty of addressing you for the purpose of making an application for the position of teacher of articulation in your institution.

In regard to my qualifications I would say I was trained in the modern or German system by Miss Sarah Warren Keller, who was teacher of articulation in the New York Institution for the Improved Instruction of Deaf mutes,

for thirteen years. I had three years experience in her private school, located at 27 East 46th Street, New York. I have also taught private pupils and in institutions. I have the strongest testimonials

Should my application be accepted, I should devote my best energies to advancing the pupils placed under my charge.

Trusting to hear favorably from you at no distant date, I am sincerely Yours,

Mrs Rosa Keller,
Saratoga Co. Box 208, Hadley, N. York.

My dear Mr Fowler.

It is now about 4 weeks until I leave here again. That does not mean I will come to Wash, 1 week before college opens, but I intend to stay at Chicago the 5th week, so you will ~~find~~ understand the reason for my writing you so early.

My object is to ask you, if it is not making you too much inconvenience, to see if you can not possibly get me a receipt from the S. & O. or yourself for me a reduced ^{rate} ticket from Chicago to Washington as you did for many of the students heretofore.

DUBUQUE, IOWA,.....189

Last June I did not want to buy a round trip ticket as I wished to keep as much of my money as possible to use at the Fair and I was not mistaken as I found almost every cent came in handy. I intend to leave Chicago for Wash about Sept 20 or maybe 19, and if you get a ticket for me I should prefer to have it to be good as early as the 18th & to be good for use from 18-20 as I am not exactly sure which day I will leave Chicago. If you reply favorably to this letter I will send you the money for the ticket but I want to be sure that it is given you no inconvenience.

Please answer soon.

Yours Truly

Dear Cousin Wallace,

May I trouble you to do
something for me?

We are having two boxes sent by
express from Williamstown to
Kendall Green, of E. M. Ballantine.

Will you be kind enough to
receive them and pay the express
on them for us?

He shall be in Washington
shortly, on our way either South
or West, and will settle with you.

Hoping that this will be to you
no serious inconvenience,

Affectionately yours,

Grace Gallaudet Kendall

Dear Sir:—

Please inform me at your earliest convenience the requirements for entering the Introductory Class of your College, for which five or six of my pupils (oral) wish to stand an examination at the expiration of this scholastic year. I should like a full statement of what they will be examined in and its extent.

Please send me also four or five of this year's catalogues.

Yours very respectfully,
J. D. Kirkhuff.
