Dear Sir:-

Permit me to commend to your favorable consideration the bearer of this letter, Mr. Francis C. Gueffray^o, a recent graduate of the Iowa School for the Deaf. My dear Dr. Gallaudet:-

I write to tell you that I have accepted a position with Mr. Rider at Malone, New York. He offered me the Primary class for \$200. and board. Dr. Cronin also made me an offer but it was very indefinite

and I did not feel
I could afford to
consider it.

My very dear friend
Bishop Coleman, has
given me a letter
of introduction to
the Rector of the Church
there so I will hope
to make a few friends
for myself in the
church. I have
wanted very much
to write to you all

Summer has before now been
had nothing definite to tell you
and I know from very many
you always are, and did not
want to take any of your good
time. You may see I Mrs. Talbot
do not seem to turn in. And re-
spect my thanks for all your
great kindnesses & am once &
more thank you very truly

Mr. E. M. Gallaudet,

Kendall Green, Washington.

Dear Sir:- Several of my friends, among them, my cousin, Mr. Harris Taylor, of Philadelphia, have written you, asking for a fellowship, for me in Gallaudet College, for next year.

I now ask you to appoint me for a fellowship for next year, and I enclose you recommendations from my teachers at college, and from the directors of my school. Is it necessary to take an examination, or to specially qualify for the fellowship? If so I shall be grateful to you if you will inform me

what I must do in order to
obtain the appointment.

Two of my friends Senators
Bates and Senator Turley of
this state, will either write
to you for me, or they will
see you when Congress meets.

Sincerely hope you may be
able to give me the appointment.

Very truly yours,

Oddie Pybas.

Miss Addie Pybas has been a student of mine several years, and I cheerfully bear witness to her real worth. Finely endowed in both mind and heart, she is diligent, painstaking, ambitious, ___ qualities that insure success and enrich life. She has gained knowledge, and she has acquired wisdom. She has a trained mind, and, therefore thinks for herself, and forms her own conclusions. She is capable of doing whatever she undertakes, and may be depended upon to perform faithfully every trust committed to her.

Socially, she is a beautiful character, and will be a positive agent for good with those among whom her lines fall. I speak confidentially of her ability, and most strongly commend her to such as desire a happy union of sterling womanhood and prime competency.

Dear Sir: In making
application to you
for a fellowship
in your college, I
did not mention
my degree, for I
thought Mr. Savage,
President of my
college had written
of that.

I was graduated
in the class of '97,
from the Southwestern
Baptist University,
a college for boys,
located in Jackson.
I took the degree of
Bachelor of Science,

I was the third
woman to graduate
from the S. W. B. U.
I am also a graduate
of the Jackson City
Schools, and of The
Teacher's Peabody
Institute.

I am very
ambitious to become
a student in Gallaudet
College, having learned
much of it, through
my cousin Mr. Harris Taylor,
and sincerely hope you
may be able to give me
a fellowship.

Very truly yours,
Addie Pyle.

Dear Sir.

My name is William Pfunder.
 I graduated from the American School
 for the Deaf at Hartford, in the year
 of 1896. I came from Connecticut
 last month to live here. I have
 a position on the ¹⁴²⁰ Pennsylvania
 Ave, where I think I could
 get away half of the day for
 studying.

Are there any classes, in which
 I could be allowed to study
 under such an arrangement.
 I graduated from the Hartford school,
 at the head of my class, but
 since then I have had little
 chance to study, and want to

require more as I have come to
Washington to live. Two yrs
ago I asked Dr. Williams, my
principal, if he was willing to help
me, getting me an education, in
this College, through Mr. Hawley
but he said he could not help
me and also gave me some
advices not going to the College.
~~Since then~~ ^{But} I kept thinking of
getting more education. What
would you like to advise me?

I am eighteen yrs old.

 Yours respectfully

Dear Sir:

Please send me all necessary information in regard to preparing our pupils for entering college. Supt. Stewart said some changes and additions to the requirements were mentioned at Columbus, but he was not sure what they were.

Very Respectfully,
