Dear Sir
In reply to yours of 13th inst
without discussing the merits of
Herbert's dismissal, - which he has
always claimed unjust, - I agree
to pay your voluntary advance to
him. My having been very heavily
indebt - & unable to pay, - has been
the only reason for non payment -
as I think Judge Craven will ad-
vice you - & I have promised him
to pay it - & have intended to do so.

Your threat of "publication" is the
only thing that has disturbed this
intention. - I shall await your
action in that direction -

Very Respectfully
H. Johnson

Dear Sir,

we are sorry to hear of the illness
which has befallen you and hope
it will be of a short duration.
We are glad to hear you are
still in the city and hope you
will be able to return home
soon. We are very anxious
to hear from you and hope
you will be able to do so.
We are very anxious to hear
from you and hope you will
be able to do so.

John B. Wright Esq,
Dear Sir:

Enclosed I send statement
of account & date.

I have an impression
that you have paid a part of this
bill as I wrote you a month
ago, but my books don't show it,
and I have no positive recollection
about it. If a part of this bill is paid
it must have been at a time
when I was busy with other
matters and forgot to credit it.

Please inform me how
my account agrees with yours at your
earliest convenience and oblige
Yours truly

Dear Sir

I beg to thank you
for your letter of 9th instant
I waited to answer it till
I had laid it before the
Bishop, also our Committee
The Bishop writes "It is far
better to give time to
Mr Lyons to complete his
preparations."

The Comm^{tee} are not prepared

to say yet what arrange-
ments they can ultimately
make, ^{as regards the future} but they have
directed me as Secretary
to inquire for a suitable
person to undertake a
mission four through
the South of Ireland during
the summer.

If Mr. Lyons comes home
for the vacation, they
would certainly like to
secure his services
I shall therefore be glad

if he will communicate
with me as soon as
possible, stating what
remuneration he will
expect - if he is able
to undertake the work
for the month of July
or August.

I shall make no definite
arrangement with any
one else till I can hear
from him, which I
suppose I could do

Dear Sir,

I am anxious to secure position either as teacher of Articulation, or as a teacher of Sign classes. Will there be any vacancies in the Columbia Institution for the Deaf & Dumb? this year, or it may be you intend having some extra teachers. if you know of any changes, I will consider it a very great favor if you will use your influence in my behalf. I send two letters of Reference, and can send you others if you desire them. for the present will refer you to "Mr William Galt." of your city

he is a cousin of my father's.
Will you please return my
papers at once, as I need
them in making applications
elsewhere.

Hoping to hear from
you quite soon

I remain

Yours Respectfully

President E. M. Hallaudet

Dr. Sir:-

I send you, by this mail, a copy of the Richmond "State" of the 20th inst., which has a reply, by Mr. L. Poyntz, to an article by our best friends in Va, Col. James H. Skinner arguing for a qualified Principal for this Institution. Mr. Poyntz, you may know, was Prin. of the school for 9 months only, failed to be re-elected, as I have heard, on account of the lack of business qualification and unsuitable management of the Inst. Your name is referred to in the paper. I am not

of the belief that you stand as he places you,
And as he undertakes to assail our friend
in regard to his opinion of the necessity
of signs and upholds, exclusively Articulation
and Northampton I send the paper to you
to read and if convenient to make a few sug-
gestions in favor of signs, not omitting the
usefulness of articulation for those whom it
will benefit. It has been suggested
that I make a reply to Mr. Paynter's
paper, not being well versed in the matter, and
believing that you will be not unwilling to
aid me, I write to you for advise and
direction for finding good and forcible
material to make a good reply. The
Prin. who will be elected at the next
election will, by all probabilities, be retained
here for a good many years, hence it is
our desire that the right kind of a man
be elected. I shall look for a letter from you
soon, with kindest remembrance, Dear Respy^r Yrs. J. W. Michaels

N.B.

In case you are too much
occupied to give this any
attention, please pass it to
either Neuns, Drafer or Hotelkin
or some one of your boys.
