## Experts Gather to Battle Automation . . . From the Books and Magazines . . . The News Beat . . . T-V and Sports Patter

**I**N a move to find a solution to combat automation and other vocational problems which threaten to shrink the chosen vocation or trade for a deaf person, a *Workshop on Improved Vocational Opportunities for the Deaf*, sponsored by the U.S. Office of Education, Department of Vocational Rehabilitation, was held at the University of Tennessee at Knoxville, October 18-23. The experts in attendance, numbering 125 from various fields, such as education, labor and industry agreed on one: the setting up of regional vocational schools and a national technical school with the latest equipment to train the deaf!

The American School for the Deaf at West Hartford has received title to property at Salisbury, 50 miles from the school. This estate contains 79 acres, including an island. There are three large dwellings, enough to make this an ideal summer camp for the pupils . . . The 150th Anniversary of the founding of the school will be celebrated in June, 1967, during the convention of the American Instructors of the Deaf and meeting of the Executives of Schools for the Deaf. . . . The U.S. Office of Education estimated that there are 5,136,438 school-age handicapped children and that 213,403 specially trained teachers are needed to help educate them! . . . The Eastern North Carolina School at Wilson has R. M. McAdams, former principal at the school for the deaf at Morganton as its superintendent. Those from ages 5 through the 8th grade, living in the eastern part of the state will attend this new school. The high school program will remain at Morganton. Due to lateness in completion, and in order not to fall behind in their learning, all Wilson pupils are now gathered in a "borrowed" section at the old school! Father Joseph Giamal, head of the first Syrian school for the deaf at Alep, made a tour of Europe recently to learn more about educating the deaf; he found the Dutch method the best.

**In the Books:** *Valley Forge*, an historical novel by James A. Sullivan, a retired deaf teacher of the American School. Published by Dorrance & Co., of Philadelphia, \$3.95 at bookstores. . . . *Not in the Calendar*, by Margaret Kennedy. Macmillan. 239 pages. \$4.95. This is a novel about a deaf daughter of a family servant to an English fam-

ily of the 1880's. After some problems of adjustment to deafness, she becomes a famous artist and is decorated by the king. . . . Edwin Way Teale's *Journey into Autumn* contains a whole chapter about a deaf man and his dog . . . David Watson's lexicon of signs, *Talk With Your Hands* has been selling like hot cakes. Of the 10,000 printed, a little less than 900 remain. The book will be reprinted in French, German, Italian and Spanish editions and placed on the market of these four countries in late 1965!

\* \* \*

**Magazines:** *The Wrong Face Operator*, a humorous article by Hilda Cole Espy can be found in the pages of the November, 1964 issue of *Woman's Day*. The author tells of the trials and tribulations that will befall the woman of the house when she answers that marvelous instrument now being developed, the Picturephone. . . . A three page story on the Gallaudet College Football team appeared in the November 6 issue of *Life*. This feature described how the team played football, and contained photos of the team in action as well as the Gallaudet cheering section. *Life* reporter Mike Silva gave his personal observations on his feelings of watching a deaf team play at this sport for the first time!

**THE NEWS BEAT: Cleveland**—When Heloise Cruse, an expert on the homemaker's everyday problems, and one of the top syndicated columnists toured the plant of the *Plain Dealer* some time ago. She struck up a conversation in the language of signs with deaf printer Harold Katz. What dazzled the others gathered about was her kissing of Harold's bald pate **THREE TIMES!** She later admitted that she had mastered our language from her deaf grandparents . . . **Laurel, Miss.**—The late E. Boyd Rush, 68, deaf boiler shop repairman suffering from a heart ailment, was the recipient of the **FIRST** heart transplant in medical annals when his damaged heart was replaced with that of a chimpanzee after a 3-hour operation last January. The heart beat for one hour before Mr. Rush expired!

## Brooklyn's Fifty-Fifth

By AARON HURWIT

**O**N Sat., Oct. 31, Brooklyn Div. No. 23 celebrated its 55th anniversary with a dinner-dance at the Grand Street Boys' Club, a fashionable and renowned landmark here in New York City.

At the beginning of the festivities, Bro. Norman Finkelstein rendered the national anthem in a beautiful soprano manner. Pres. Max J. Cohen then bade the 312 in attendance a warm welcome to the night's occasion and assessed the present and future of No. 23.

The guests' appetites were assuaged by a splendid prime rib of beef dinner served in grandiose style, and topped by a bottle of J-B Scotch. At the conclusion of the repast, Bros. Louis Davis and Harry J. Goldberg were presented

# FRATERS IN THE NEWS

**C**HICAGO Aux. Div. No. 142 has a "Miss America" on their membership roster! She is Sis. Helen Johnson of Evanston, Ill., recently crowned Homecoming Queen at Gallaudet College.

Sis. Johnson was chosen along with four princesses for their character, leadership, and loyalty to the football team.

Now a senior majoring in library science, Sis. Helen is pointing to a career as a medical librarian. Gifted with the rare combination of brains and beauty, she also is quite an athlete having won her "G" letters in varsity basketball and cheerleading.

A member of the Delta Epsilon Sorority and secretary-treasurer of the Women's Governing Council, Sis. Johnson will be warmly welcomed into her Division when she comes home with her "sheepskin" this coming June.

The 1965 edition of *Who's Who in American Colleges and Universities* carries a listing of collegians selected by fellow students in recognition of their leadership in extracurricular activities, high scholastic standing, and service to the college.

Representing Gallaudet in this book will be **FOUR** active members of our Washington Div. No. 155! All seniors, they are Bros. Wayne Frick, Charlie McKinney, and Gary Olsen, and Sis. Sharon Heiydt.

The NFSD is proud of these four and anticipates great leadership from them in years to come.

Forty-six years at the same job with the same company is a mighty long time. Yet Bro. John Otto of our Spring-

field Div. No. 57 did it without qualms or peevs, the qualities that won him so many friends. His fellow workers staged a party for him last March at the *Illinois State Journal and Register* newspaper plant in Springfield, Ill., where Bro. Otto earned his bread and butter.

An active charter member of No. 58, Bro. John served as its first president in 1916, the year the Division was founded. Today he is still one of the live wires of the Division.

From the ranks of our membership, two more Brothers have been chosen to give their valuable time and experience to further the cause of creating the best means of meeting the educational needs of the deaf.

They are Bros. LeRoy Duning, current secretary of our Cincinnati Div. No. 10 and Robert O. Lankenau, long active in affairs of our Akron Div.

These two were the only deaf persons among the twelve eminent men and women selected to serve on the Advisory Committee on the Education of the Deaf by Hon. Anthony J. Celebrezze, Secretary of Health, Education, and Welfare.

The historical Picturephone demonstration held Tuesday, July 7 connecting Chicago with Washington, D.C.,

gave the Society's Grand Officers and staff as well as others an opportunity to see and talk to their friends at the convention of the National Association of the Deaf being held in the nation's capital.

Seated in the accompanying photo in Chicago's Prudential Building lobby is Grand President Cherry conversing with Bro. Max Friedman, a member of our Manhattan Division.

Dr. Edna S. Levine, Professor of Educational Psychology and Director of Audio-Communicative Disabilities at New York University was instrumental in making arrangements for this free demonstration through the kindness of the American Telephone and Telegraph Company and the Bell Research Laboratory.

## Season's Greetings!

to all our  
good Friends

May 1965 be a Happy,  
Healthy and Prosperous  
year for you and yours.

## Dividends

**B**Y resolution of the Grand Division Board of Directors, a new procedure for distributing dividends will be inaugurated in 1965. At the same time, a new formula for figuring the dividends will be used, resulting in a substantial increase in dividend amounts for all qualified members.

Instead of the Board of Directors declaring the dividend on October 1 of each year, as heretofore, members will be paid their dividends on the anniversary date of their certificate. The anniversary date coincides with the month and day that the member's certificate was issued. For example, if a member's certificate was issued February 1 and was in effect for two years or more, his dividend will be paid him on February 1 each year. If the certificate issue date was May 1, then that is the annual date the member will receive his dividend, and so on.

This method will enable the Home

Office to conveniently stretch out the preparation and distribution of the approximately 7,000 dividend checks over a period of 12 months. They will be sent to the Division treasurers, who will in turn hand or mail them to the members. Those who are no longer active members of their Division should keep the treasurer notified of their up-to-date address, or, if this is not possible, the Home Office can be notified.

Some members have asked that their dividends be kept at the Home Office and be paid when their insurance is settled. We do not yet have the facilities for accommodating such members and until we do the members must take their dividends in cash each year.

## Sign Talk Helps Deaf Children Learn

**T**EACHING a deaf child the language of signs will help him learn English later, a research team reported today at the University of Pittsburgh. This, they said, refutes the argument that early use of the language of signs inhibits a deaf child from learning to talk, write and lip-read.

The study was conducted by Dr. Jack W. Birch, associate dean of the School of Education at Pitt, and Dr. E. Ross Stuckless, professor of special education and rehabilitation.

It was financed with a \$14,000 grant from the U.S. Office of Education.

Dr. Birch and Dr. Stuckless studied a group of deaf children, half with deaf parents and half with hearing parents, over an 18-month period.

Among their findings:

1. Deaf children taught the language of signs from infancy tend to read, write and lipread better than other deaf children.
2. The very young deaf child needs a method of communication and can learn signs much faster than speech.
3. Parents may communicate via the language of signs with pre-school deaf children without fear they are jeopardizing the later learning of English.

The study included 78 children of deaf parents and 78 children of hearing parents between the ages of 3 and 5 in schools for the deaf in Pennsylvania, Indiana and Connecticut.

Dr. Birch and Dr. Stuckless found the early use of the language of signs teaches a child the value of communication and gives him an advantage over a child with no means of expressing himself.—*The Pittsburgh Press*.

## Anniversaries

**W**INDING up his speaking engagements for the year, your Grand President visited three more Divisions at their anniversary fetes. In giving an account of these visits, we wish to thank every one for all the courtesies extended to us that

made our stay enjoyable.

### ROCHESTER NO. 52

On October 10 our mission had us in Rochester, N.Y., where we were welcomed by a large bunch of local fraters, led by Chairman Robert Hamilton. That afternoon we were treated to a tour of many interesting places, including the Eastman (Kodak) Museum. The 50th anniversary banquet of Rochester Division No. 52, held in the Manger Hotel in the evening, drew close to 200 people. In this gay gathering were many guests and well-wishers from other Divisions, a typical New York and New England custom. Rev. Walter Busby, Pastor of Alpha Lutheran Church for the Deaf, gave the invocation. The evening's program was superbly conducted by Delbert Erickson. Mrs. June Davis gave a beautiful rendition of the "Star Spangled Banner." Division President William Abbott extended welcome to all. In his "Dedication to the Deceased," Rev. Canon Wm. Lange, Jr., moved the listeners with a stirring speech which he closed with a prayer for the departed members. At the conclusion of our address, we presented Lawrence A. Samuelson with the 34th Degree for his long and faithful service to the Division. He also received a jeweled pin, emblematic of this honor, as a gift from his Division. For entertainment, there were several professional acts, which were followed by a hilarious skit entitled "50 Years of Agony," played by Mrs. Ann Hoffman and Lester Zimet, depicting the domestic life of a married couple. Prior to our homeward journey the next day, we had dinner with the Robert Hamiltons at their home.

### ST. PAUL-MINNEAPOLIS NO. 137

We headed for Minneapolis, Minn., on November 14, for the tenth anniversary celebration of St. Paul-Minneapolis Division No. 137, a ladies' unit. Gordon and Myrtle Allen met us at the airport and we were escorted to their spacious home where we sojourned as their house guest. The Embassy Room of the Sheraton-Ritz, where the banquet was held, was filled early with an eager throng. After a satisfying repast, the speaking program was carried out under the guidance of the versatile Mrs. Allen. Alveda Colburn gave an interesting review of the Division's history. Eldora Jones captivated the listeners with her fine rendition of the poem, "Carry On." After our address, Northern Vice President Wesley Lauritsen, who came from Faribault with his wife, LaReine, delivered interesting remarks. Several from among the men-folk arose to extend greetings and best wishes to the Division. James Jones, Ann Skalicky, Howard Johnson, Violet Elmgren, Ruth Ginsburg and Winifred Johnson provided the evening's entertainment with a variety of amusing skits, all very good. The next day, the Allens drove us about Minneapolis, showing us the many lakes and parks dotting the city. On our flight home, we enjoyed the company of their son Carl, who teaches in the School of

Business Administration, University of Minnesota. Carl Allen was on his way to the Ohio State University in Columbus on business.

### TORONTO NO. 98

Our final jaunt took us across the border to Toronto. We arrived in the city's airport on Friday afternoon, November 27, and were greeted by Joseph Rosnick and Charles Manning, who took us to a cafe. There the trio of us were joined by George Corbett, Roger McAuley, Edward Kearnan and Helen Williamson. After all of us had a hearty repast, the petite, young Miss Williamson, who was chairmanning the 40th anniversary banquet of Toronto Division No. 98 scheduled for the following day, saw to it that we did not have a dull moment the rest of the evening. Driving a big station wagon, she took the party to a club to witness the curling games, so popular with the Scotsmen. The banquet was held in the King Edward Sheraton Hotel, and was preceded by a smoker in the afternoon at which 12 new members were initiated. The banquet program was short and informal, in order to give some 160 fraters and friends in attendance more time for dancing to orchestra music and enjoying each other's company before the midnight curfew. Bernard Elliott, the Division's president, recounted the history of No. 98. John P. Buchan and Charles R. Ford, surviving charter members, gave their reminiscences. George Corbett and James Baskerville put on a mystery show with audience participation that was very amusing to all. They deserve an Oscar for their straight-face acting. When we completed our address, we called Joseph Rosnick and presented him with a jeweled 34th Degree pin, a gift from his Division in grateful appreciation for his services. Sunday, George and Dorothy Corbett took us to the home of the McAuleys for a social call where we remained until it was time for our homeward trek. Roger McAuley is our efficient Canadian Chief Agent, and a hard-working leader among the Ontario deaf.

### BROOKLYN'S 55TH

(From page 3)

50-year membership cards by Secretary Aaron Hurwit. Two other 50-year members, Bros. John Bohlman and Jacob H. Schwartz were unable to attend. Bro. Harry Goldberg gave reminiscences which were amusing and informative. At the end of his talk, he was awarded a 34th degree jeweled pin by Bro. Hurwit on behalf of the membership in recognition of his 19 consecutive years as Secretary and all the years he had served No. 23.

The guest of honor was none other than our own Eastern Grand Vice-President Joseph R. Collins. Bro. Collins lauded the good work of the Division during the many years of its existence, having helped found three other Divisions in the New York City area; Brooklyn is now in the process

of creating the first Auxiliary Division in New York City. Being the forebearer of the five Divisions in this city, the oldest of the 12 Divisions in the State, and the largest Division body in the NFSD, there was no other honorable mention that Bro. Collins could better bestow on No. 23 than, "Father of the New York Fraternity." Through the efforts of Brooklyn No. 23, New York has become the largest fraternal center of the NFSD. Bro. Hurwit, again on behalf of the membership, presented Bro. Collins with a gold watch, suitably engraved as a memento of the night's occasion.

The entertainment consisted of a one-hour professional Broadway show. The balance of the evening was spent dancing to the strains of melodious music of a four-piece band until the 3 A.M. curfew when all went their way with memories long to be remembered.

We extend our deepest sympathy to Bro. Samuel Gompers on the loss of his wife, Helen. She passed away Nov. 3.

Bro. Edward Dabrowiak, at last report, was accidentally wounded on his left hand while deer hunting. We hope it is not very serious.

On the sick list but improving nicely are Bros. Amos Burns and Ernest Hardenburgh.

Bro. Aloysius Japes is hard at work preparing for the "500" card and bunco social to be held New Year's Eve at the Veterans Memorial Building, Rooms 710 and 717, 151 W. Jefferson Ave., in Detroit. Remember the date, Thursday, Dec. 31 at 7 P.M.

Our 12th annual Valentine social will be held Sat., Feb. 13 at Grand River Post No. 1519, V.F.W. Memorial Home, 13576 Tesure, Detroit. In charge will be Bro. Horace Swinney who promises a great program and fun for all. Don't miss this event.

A housewarming party was given for Bro. and Sis. Joachim Peters, natives of Germany until about 1955. Their lovely home saw about 75 friends who helped in the celebration.

Sis. Peters recently went back to Germany to visit with relatives.

We wish a Merry Christmas and a Happy New Year to the Home Office staff and all Division members.

**NEW HAVEN No. 25 (J. Augustine)**—Chairman C. Caulkins, our prexy, did a swell job for our September social. It was a highly profitable evening for us.

The October social which featured the showing of a captioned film, "It Grows On A Tree" was enjoyed by all. Treasurer J. Sciaccio took charge of this event.

We express our heartfelt sympathy to Bro. S. Casagrande on the loss of his wife who passed away Oct. 24. Bro. Casagrande has been a vocational instructor at Mystic Oral School for over 35 years.

At our election meeting President C. Caulkins, Secretary J. Augustine, and Treasurer J. Sciaccio were reelected to serve in 1965.

We had a good year in 1964 and anticipate a better one in 1965!

Remember to attend our Open House social scheduled for Jan. 9. There will be plenty of refreshments.

We wish you all a Merry Christmas and a Happy and Prosperous New Year.

**ATLANTA No. 28 (E. C. Herron)**—Officers for 1965 are: C. G. Turner, president; Charles Little, vice-president; Ernest Herron, secretary; E. Duwayne Dukes, treasurer; Joseph Spurling, Jr., director; Charles Watson, Sr., sgt.-at-arms; Mary Sharp, Juanice Griffin, and Robert Davis, trustees. Bro. Davis moved up as trustee chairman after Bro. Henry Oaks resigned due to circumstances that prevented him from giving proper attention to his duties.

Bro. Lee Cole was hospitalized with a blood clot in his leg and is now confined at home. Bro. Emmett McClendon underwent surgery recently and is about well now. Bro. Jerry Sanders also went under the knife for a minor nasal obstruction. Bro. Joseph Matthews, we hear, is also ailing. Speedy recovery, Brothers!

Bro. Howard Sturgis has just about completed his construction of an electrically lighted emblem for our Division. It is much like the one owned by the Home Office, but on a smaller scale. We marvel at Bro. Sturgis' skill as an electrician. He builds these emblems as a hobby and if any Division is interested in having one of their own, write to him at 1924 Shirley St., S.W., Atlanta, Ga. 30311.

Our Division will probably meet in a new location early in 1965. The Atlanta Club of the Deaf is moving to new quarters, since the building now occupied is to be razed. We will inform you of our new location as soon as it is known.

**SEATTLE No. 44 (H. Hannula)**—Bro. John Burton, our hard working treasurer, chose not to run for re-election for his 7th consecutive term so Bro. Clyde Ketchum was elected to succeed him. His address is 1831—8th Ave., West, Seattle, Wash. 98199. Re-elected as secretary for the 6th term was Bro. Hugo Hannula, 1934-7th Ave., Seattle, Wash. 98101. Other officers elected were: John Hagadorn, president; Arthur Erickson, vice-president; Bernard Pedersen, director; Paul Hoelscher, sgt.-at-arms; Bryan Wilson, new trustee. The installation of officers will take place at our meeting at the Seattle Hearing and Speech Center Sat., Jan. 9, 1965.

Our deepest sympathy goes to Bro. Arthur Erickson on the loss of his sister, Edna Stinar, also deaf, who passed away at her home in Bagley, Minn., last October.

**UTICA No. 45 (F. P. Rakowski)**—Happy New Year! May 1965 be a most prosperous year for each Division.

Officers for 1965 are: Trevor Hughes, president; John Kennedy, vice-president; Frank Rakowski, secretary, 32 Hollywood Dr., Whitesboro, N.Y. 13492; Pauline Rakowski, treasurer; Paul Combs, director; Robert Cleveland, sgt.-at-arms; Robert Kirkland, new trustee. Installation will take place at the regular January meeting.

Ye scribe, on behalf of all the members, wishes to thank the retiring president, Bro. Kofman, for a wonderful job the last two years. We hope his example will be followed.

Belated congratulations go to Bro. and Sis. W. Nash on their 20th anniversary of married life. Here's our wish for many more years of wedded bliss to you!

Bro. Jerry Burton, a new member, recently enrolled in a linotyping school in New York

City. He will remain in that city for three months.

Bro. R. Cleveland, to our surprise, became a married man late last summer. Congratulations!

Bro. and Sis. E. Markum attended Albany No. 51's Fiftieth anniversary banquet and then journeyed to Washington, D.C. for their vacation. They were escorted around the city by Bro. Chuckie Giansanti who is studying for his master's degree at Gallaudet College.

The Fronczeks also spent a few days in our Nation's Capital and attended our October meeting as they visited upstate New York.

Be sure to keep your dues up to date! Members unable to attend meetings should mail their dues payments to our treasurer at 32 Hollywood Dr., Whitesboro, N.Y. 13492.

**PROVIDENCE No. 40 (Vera Ruckdeshel)**—For the first time in the history of our Division, a woman will serve as president in 1965. She is Sister Helena Aidala, who, judging from her work in the past, should make a very able leader.

Bro. W. P. Littleton will assume the secretarial duties while Bro. Martin Greene stepped down from the presidency to take over the all-important office of treasurer. Bro. Lucien Belisle, our long-time treasurer, will be sitting on the sidelines this year.

Our meetings will again take place on the first Saturday of each month at Unity Hall on Potters Avenue.

Many of our members were present at a fund-raising buffet-supper at the Rhode Island School for the Deaf, Nov. 7. Chefs for the affair were Bro. Edmund Toppi and his wife of Lawrence, Mass. The dinner was spon-

sored by the alumni association of the school with profits going toward the purchase of a scoreboard for the gymnasium.

Sis. Roberta Zebrowski was guest of honor at a Stork shower at the home of Bro. and Mrs. Lucien Belisle and their daughter. Many useful gifts were given Roberta by our members who were present. The baby is due to put in his appearance before the holidays.

Bro. Roger Hemond is back on the job again after a 3-weeks' bout with intestinal flu.

Since the death of Reverend Dr. J. S. Light who served the New England area deaf for many years, two of our Brothers have been serving as lay-readers. They are Bros. Frank Sholes and Kimball Nash.

Bro. and Sis. Anthony Bucci enjoyed a vacation trip to the midwest states.

**WASHINGTON No. 46 (Isadore Zisman)**—Officers to serve in the coming year are: President Alexander Fleischman; Vice-President Clyde Morton; Secretary Isadore Zisman; Treasurer Herbert Hildebrandt; Director Robert Merriman; Sgt.-at-Arms Theodore Dick; New Trustee Roy Chandler.

Since Bro. Fleischman's wife, Georgette, was chosen president of Aux. Div. No. 151, we believe ours is the first city to have a man and wife as president of a Division and its Auxiliary.

Bro. Elmore Bernsdorff, our octogenarian member, was attacked and robbed by hoodlums while walking home from a recent Frat meeting. Fortunately, Bro. Bernsdorff is not of the brittle type and the episode did not prevent him from continuing to attend our meetings.

We are planning a New Year's Eve party in the D.C.C.D. clubrooms Thursday evening, Dec. 31.

Bro. Morton Galloway has recovered from an operation that sidelined him for about a month.

About 150 attended our 29th annual Fall dance Oct. 17. The evening's feature was a Beatle-type band which had the youngsters hopping and the old-timers smiling. Also on the program was one of the best professional floor shows ever presented by the Division. Pretty Pat Stedrak won the beauty contest and Barbara Kannapell teamed up with John Watson to win the dance contest.

Many of our members attended Baltimore Div. 47's Smoker, Nov. 21. They, as usual, had a good time in the Oriole City.

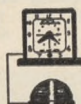

Washington Div. No. 46 takes this opportunity to extend Christmas and New Year greetings to all Divisions and to the hard working crew at the Home Office.

**BALTIMORE No. 47 (Charles Knowles)**—The 8th annual dance, engineered by Bro. Colley, was a grand success. The entire affair was staged in a French motif and all wore French attire. Our next dance will be Japanese-styled and it will be chairmanned by Bro. Brode.

Our sympathy is extended to the families of Bros. Hokemeyer and Redman, who passed away.

New officers for 1965: President Mathis; Vice-President Broughton; Secretary J. Colley, 3447 Woodstock Ave., Baltimore, Md. 21213; Treasurer Knowles; Trustees Salem, Myrovitz, and Schroeder. Bro. Calhoun will serve as Frat correspondent.

We welcome new member Bro. Carl Livesay! We wish you all a Merry Christmas and a Happy New Year!

A good-sized crowd attended our Halloween social where good door prizes were given and fine refreshments served. Co-chairman Battersby and Lindsey did a good job and we thank them for it.

In all probability we will meet in a new location starting in Jan., 1965. The Akron Club for the Deaf's own building is nearing completion at 1468 E. Market St. and we expect to hold our regular meetings there. Put the address down in your notebook.

We hear that Bro. Abe Lee, now in Florida, suffered a heart attack not long ago. We hope all's well with him now.

Bros. Donald Boyer and Warren Nascene, accompanied by Fred Armstrong, the shooting expert, enjoyed a deer-hunting trip to the snow covered Big Horn Mountains in Wyoming last October. They bagged THREE mule deer!

Aux. Div. No. 137's 10th anniversary banquet turned out to be a wonderful event thanks to the great work of Chairlady Ida Dreher and her all-officer committee. The program, well handled by Toastmistress Myrtle Allen, featured an impressive talk by Grand President L. S. Cherry. Sis. Alveda spoke about the 10 year history of her Division and Sis. Eldora Jones beautifully recited the song, "Carry On", in the language of signs. Following President Cherry's talk, Northern Grand Vice-President Wesley Lauritsen gave a few remarks. The affair was concluded with fine stage plays by Sisters A. Skalicky, W. Johnson, R. Ginsburg and V. Elmgren and Bros. J. Jones and H. Johnson.

Chairman Shirley Sweezo has big plans cooking for the New Year's Eve dance at Thompson Hall Dec. 31 at 8 P.M. See you there?

Hope to see ALL of you at the January 2 meeting. Let's start the new year with a BANG and rope in a lot of new members.

We wish the Home Office and every Division a Merry Christmas and a Bright and Prosperous New Year.

## NAD TO HELP IN DEAFNESS RESEARCH

Following a meeting in New York with Mrs. Hobart C. Ramsey, president of The Deafness Research Foundation, NAD prexy Robert G. Sanderson announced that the two organizations will work closely together on a campaign to persuade deaf and hard of hearing people to bequeath their temporal bones to the Temporal Bone Banks Program for Ear Research.

Many hundreds of bequests must be made before adequate supplies of the temporal bones will be available for this critical research. Before medical science can help people who are deaf or hard of hearing, it must first know the causes of the affliction; thus, research becomes necessary.

Here, at last, is a golden opportunity for deaf and hard of hearing people of America to show that they wish to help conquer the handicap that has worked such great hardship upon them. Here, too, is the opportunity perhaps to bestow upon some child the priceless gift of hearing in the future.

On the opposite page is an advertisement prepared by the NAD. It is part of a plan to aid the national Public Education Program of the DRF, financed through a grant from the John A. Harford Foundation.

Initially, the campaign will be limited to a pilot project in Utah, but full information and forms for bequeathing the temporal bones will soon be available from the Washington office of the NAD.

## SIGNA-TROL

SIGNA-TROL is a compact, all transistor (2"x3"x6"), sensitive electronic switch which turns on an electric circuit by any slight sound impulse. You simply place SIGNA-TROL in any convenient location near your baby's crib, telephone or doorbell, then wire as many standard light bulbs as necessary from SIGNA-TROL to the rooms in your apartment. When the baby cries or the telephone or doorbell rings, the lights will flash. You can also connect a buzzer or vibrator from SIGNA-TROL to your bed.

WITH SIGNA-TROL  
IT IS NOT NECESSARY  
TO WEAR  
A HEARING AID AT HOME

SIGNA-TROL operates from the ordinary 115 volt power line and costs about one cent per month to operate.

SIGNA-TROL comes complete with instructions, ready to use and will give many years of trouble-free service.
