Thirtieth Year

May, 1933

Number Ten

"JUST LIKE HIS DAD!"

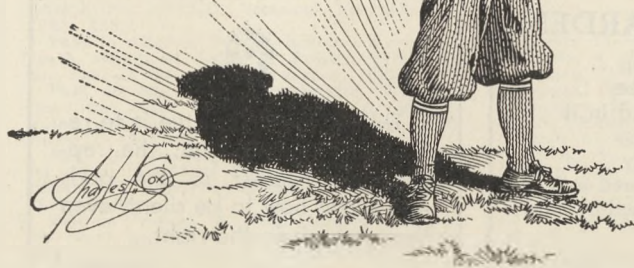

"WELL, what are you going to be, my boy,

When you have reached manhood's years:
A doctor, a lawyer, or actor great,
Throngs moving to laughter and tears?"
But he shook his head, as he gave reply
In a serious way that he had:
"I don't think I'd care to be any of them;
I want to be like my dad!"

He wants to be like his Dad! You men,
Did you ever think, as you pause,
That the boy who watches your every move
Is building a set of laws?
He's moulding a life you're the model for,
And whether it's good or bad
Depends on the kind of example set
To the boy who'd be like his dad.

Would you have him go everywhere you
go?
Have him do just the things you do?
And see everything that your eyes behold,
And woo all the gods you woo?
When you see the worship that shines in
the eyes
Of your lovable little lad,
Could you rest content if he gets his wish
And grows to be like his dad?

It's a job that none but yourself can fill;
It's a charge you must answer for;
It's a duty to show him the road to tread
Ere he reaches his manhood's door.
It's a debt you owe for the greatest joy
On this old earth to be had:
The pleasure of having a boy to raise
Who wants to be like his dad! —Anon.

The Spotlight

Manipulated by
J. FREDERICK MEAGHER

THE sudden and amazing craze for "All" teams brings to mind the fact this Frat Spotlight was the FIRST ever to print an annual "All"—three years ago. "Imitation is the sincerest form of flattery," and chalks up one more marker on the long list of deaf advancement credited to fraternal influence.

Spotlight's third annual All-American Deaf Basketball teams—a list which has been sent to Spalding's Official Rules and Guide with the strong recommendation of several leading coaches, follows:

First—Korach, Colo.; Ellison, Kans.; Puzausky, Wn. Pa.; Suiter, Ill.; Holmes, Wash. State.

Second—Newton, Va.; Rodman, N. J.; Boldt, Wis.; Doneghue, Ill.; Watson, Kendall (Wash. D. C.).

Third—Cox, Ill.; Drake, Ark.; Gasco, Mt. Airy Oral (Phila.); Panella, Wis.; Tedesco, Fanwood (NYC).

Fourth—Bowman, Ind. (a negro); Nakamura, Calif. (a Jap); Woosley, Ky.; Blanton, Okla.; Specks, R. I.

National deaf champions—Illinois; decisively defeating all deaf schools met, six in seven games.

All-American geographical range gives Pacific Coast two, West, four, Central states seven, South two, East four, New England one.

Leading scorers—Korach, 220 in 11 games, average 20; Drake, 289 in 23, average 12.6; Ellison, 238 in 20, average 12. Three men total, 747 points! Newton, height 6:3, scored 50 in four East tourney games; Puzausky 49. Best player of year, Puzausky—slated for Pitts. U.

Past National Champs were Wn. Penna last year and Nebraska in 1931. Puzausky the only holdover from my last year's first team. Watson only man to make rating all three years.

Again I prophesy: eventually most frat divisions will have their own basketball teams! The advertising value, to the deaf and to the society, is tremendous. For recruiting purposes it is unsurpassed—where celebrated stars join, lesser-lights gladly follow.

OWNING A GARDEN

HE who owns a garden,
However small it be,
Whose hands have planted in it
Flower or bush or tree;
He who watches patiently
The growth from nurtured sod,
Who thrills at newly-opened bloom—
Is very close to God.

—Katherine Edelman.

This 'n' That

By MURIEL BISHOP

"PRINTERS, by some kind of hardened figure of speech, may be said to be the masons of literature", says Corra Harris in her "Candlelit Column". "But", she continues, "if the average printer should suddenly be obliged to turn his hand to a trowel instead of type he would be likely to leave out the chief corner stone in the arch of the front door of the cathedral." You guessed it, the celebrated Corra is "sore" at the printer who left out one word from her copy. "Without it, it had no other meaning than that of decapitated thought of ridiculous size, frightfully amorphous—no thought at all, merely two lines of twitching words." But in fairness to the printers (and a lot of 'em will read this) she winds up with "They can accuse writers of more errors than any printer could possibly commit and hold his job."

"The difference between an amateur actor and an amateur writer is the fact that the actor sees his audience, hears his applause and sometimes gets the hook; while the amateur writer sees nothing, hears nothing and gets nothing. (Address P. O. Box)" is what a local columnist starts his column with, and if he leaves off the address in another week or so—we can guess what he got.

Lo—The Poor Editor of our morning paper laments thusly—"There's no way to elevate this business. You can't say 'newspaper shoppe' and 'write-tician.' (Well—we got a card from marfasniff addressed to "Bis-hoppe". (And of course, we can say "Write-I-can" even if there's no such thing as a "wry-tishun," but we're too modest.)

"Purse-o-nality is what counts." (Aye-men! H-o-w true!) . . . "Goat's milk is buttermilk." (Why—didn't you know that?) . . . "Why on earth did you buy three dozen loaves of bread?" "Cause the price is going up tomorrow." "Why, I didn't see anything about it in the papers." "Well—I don't know about the papers but there was a sign on the bakery window 'RAISIN BREAD TOMORROW'" . . . "I have a new dress." "What color is it?" "Burnt orange—I got it at a fire sale."

I THINK the first virtue is to restrain the tongue; he approaches nearest to the gods who knows how to be silent, even though he is in the right.

—Robson.

Wysisms

By PAUL REVERE WYS

APPRECIATION

(To M. B.)

I AM getting somewhat better
Ever since I read the letter,
I'm wearing the bouquet sent me, too;
May we again flock together
Like the birds of a feather,
And be happy through and through.

NEIGHBORLINESS

Without words to mince,
Both pauper and prince,
They got a hard sock in the eye;
We find them together
Now facing the weather;
The New Deal spells "soup to pie!"

PEP

Now listen, boys,
About the joys
In this vale of human woes:
You'd take good health
And a bit of wealth;
Darn it when the former goes.

Marriages

January 4—Wheelock Freston, Mt. Pleasant, Utah, and Lillian Fowkes, Evanston, Wyo.

MAY, 1933

\$1,664,651.43.

The press of the country carries en-
couraging news these days.

A firm hold was taken on the bank-
ing situation.

Arrangements on a large scale have
been made to aid the jobless, which
should in some measure relieve the im-
mediate distress of unemployment.

Deflation has apparently reached the
bottom. Inflation with a consequent
rise in prices and probable gain in
employment has been invoked.

A benevolent dictatorship was ap-
parently needed to overcome the fear
and delay in starting out on the road
to economic recovery.

We are getting that dictatorship in
no uncertain terms.

If all this spells business recovery
and a return to gainful employment, a
dictatorship should not pain overmuch
our constitutional sensibilities.

The mid-winter rush on our annual
statement and valuation report, lasting
through March, the accumulation of
various matters that had to wait a less
busy time, and then the flu getting in
its work on the staff at headquarters,
have all caused us to get behind con-
siderably with correspondence, etc.
We beg the indulgence of our mem-
bers, and expect in a short time to
catch up with the procession.

Montreal Wins

THOSE who have been working to
enlarge the membership of the So-
ciety in Montreal and the Province of
Quebec are elated over the fact that
they have succeeded in convincing the
leaders of the Catholic church there
that the Society will be a benefit to
the deaf, and that there will be no op-
position from this source to the even-
tual establishment of Divisions in
Quebec.

Also, this will probably mean that
many of the Catholic deaf in the prov-
ince who have been holding back will
now join the Society, as there will be
no opposition from the Church au-
thorities.

The eventual arrangement in Mon-
treal, however, will probably involve
the establishment of two separate Di-
visions, provided enough members are
secured for the purpose. One Division
would be for Catholic members, the
others for those of the Protestant and
Hebrew faiths.

For the present, the Catholic mem-
bers of the Society in Montreal will
hold informal meetings on the second
Friday of each month at the School
for the Deaf; the Protestant and
Hebrew members will continue to hold
theirs at the Mount Royal Hotel.

We are now hopeful that enough
members will very soon be secured to
warrant the taking out of a license in
Quebec for the establishment of Di-
visions there.

Reinstatements

DIVISION officials and members
are reminded that if a member
who has fallen in arrears more than
five months desires to pay up back dues
and be reinstated, he must file a cer-
tificate of health to be approved at the
Home Office.

Those in arrears five months or less
do not have to submit certificates of
health when paying up back dues.

Also, members taking out paid-up
insurance before they are in arrears
more than five months, and who wish
to continue active membership by pay-
ing the expense tax, etc., do not have
to submit certificates of health. If
they take out paid-up insurance when
more than five months in arrears, cer-
tificates of health must be submitted
if they wish to continue sick and acci-
dent benefits. All increases in the
amount of sick and accident insurance
require a medical examination on the
regular increase of insurance blank.
The above blanks can be obtained from
the Home Office on request.

Prospect Lists

A NUMBER of deputy organizers
have sent in lists of prospects
the Home Office called for last month,
and upon whom they are working in an
effort to get them to join the Society.
Some lists are lengthy and indicate
that an intensive survey of the field
will disclose plenty of prospects.

With the return of better times now
apparently on the way, deputies should
go after every prospect in their lo-
cality, not once but repeatedly. The
Home Office will aid in the drive in
every way possible.

Those deputies who have not yet
sent in their lists of prospects ob-
tained after a survey of their fields,
are reminded that the Home Office ex-
pects all such lists to be in by May 1.
Send them in, boys, but after sending
in, go after every prospect you have
rounded up.

Endless Chain Racket

SEVERAL of our members have
called to our attention the old
racket involving various endless chain
selling schemes.

The scheme is to sell some friend an
article, have the friend sell several of
the articles to a friend, and so on,
creating an endless chain of sales.

These endless chain selling schemes
now rampant over the country are,
in the opinion of attorneys, a form of
gambling contract. Federal courts
have designated them as such. Some
state authorities are taking action
against them. We would warn any of
our members who have been ap-
proached with such schemes that it
would be best not to have anything to
do with them.

Deputy Change

BROTHER L. T. Irvin, deputy or-
ganizer for Akron Division No. 55,
has resigned and Brother T. W. Os-
borne has been appointed to succeed
him as deputy for the Division.

TRIBUTE TO MOTHERS

IN THE shadow of every great man's
frame walks his mother. She has paid
the price of his success. She went down
into the Valley of Shadow to give him life,
and every day for years and years there-
after she toiled incessantly to push him to-
ward his goal. She gave the labor of her
hands for his support; she poured into him
ambition when he grew discouraged; she
supplemented his weakness with strength;
she filled him with hope and faith when his
own failed.

At last he did the Big Thing, and people
praised him and acclaimed him, and nobody
thought of the quiet, insignificant little
woman in the background, who had been
the real power behind the throne.

Sometimes even the king himself forgets
who was the king maker.

—Dorothy Dix.

MONTREAL

By A. Chicoine

The writer wishes to thank very much Brother S. Barmach of Philadelphia, who after reading his article in THE FRAT last month, sent him the last three numbers of The Deaf Spectator published by him. This small paper, published weekly, is very interesting, and the writer at once sent his subscription for one year.

The writer would like to receive the names and addresses of all papers published in the States by and for the deaf. His new address now is 4395 St. Denis, Montreal, Canada.

Brother Goldstein is now better, after undergoing an operation at a hospital, where he remained a month . . . Brother A. Drainville works in the laundry department of the Mount Royal Hotel, and has already started

going fishing . . . Many Montreal deaf are planning on going to Chicago this summer and visit the World's Fair, taking the opportunity afforded by the excursions run by the railways. The writer will not miss it, and will go a second time, as he could not see much of Chicago on his first trip last year.

ATLANTA

By Muriel Bishop

The dinner planned to celebrate our Division's 23rd Anniversary has been called off, but the Movie Show is a certain thing. We have reserved Troy Hill's all-silent films for May 6th, seven reels of signs and scenes of especial interest to the deaf. We can eat any old time, and have had banquets and dinners for the past 20 years, but a Movie Show with SIGN films is something NEW! Come on, everybody! It's your only chance to see them. Admission is 25c.

The Georgia Association of the Deaf will hold its convention the first week in July at Savannah. The meeting will be well attended, according to reports coming in, and special interest is manifested on account of this being the 200th Anniversary of Georgia. The many landmarks and historical sites in and around Savannah, as well as the beaches, will attract the visitors.

PITTSBURGH

By E. A. Ludovico

On to Chicago World's Fair! Joseph Burnwasser says he may attend anytime this Summer, if nothing happens to him. See America First!

Andrew Zeber has made about 5 trips to Chicago since last January. He visited his daughter. He will go to Chicago again, but don't know when.

Recently Rinhardt Fritzges, his wife and son came to Pittsburgh from Erie to visit his brother, Charles Fritzges. They stayed there for 2 days.

TOLEDO

By N. P. Henick

Our recent social on March 18 drew a smaller crowd than usual, for the reason that the majority of the members were thrown out of work at the Willys Overland Co. February 15. In spite of this fact, Clarence Lee, chairman of the committee, with the hearty support of Brothers Clarence George and Frank Neal, tried their best to increase the contents of our treasury. The enjoyment of the evening was the playing of Pinochle and Bunco, and the winners received nice prizes.

On April 1, many of these auto workers were overjoyed to get 20% of their back wages, and are anxious to receive the balance before very long. Of course, our members are rather worried over their future incomes, if this plant does not reopen after the contracted trucks for the International Harvester Co. are completed for delivery. Only two of them are on this

pay roll force at this writing. Tough luck.

A Jig-Saw Puzzle and Card Party is announced for May 6, after our regular monthly meeting, with Chairman Henick and Brothers Henry, George and Green on the committee. A small fee will be charged. The third Saturday of each month will no longer be used for social dates until next Fall.

Richard King was elected Treasurer in the place of Clarence Lee, who has done well for several terms. The Division voted to accept his resignation with regret. King's address is 1766 Hamilton St., so please send your dues direct to the new Treasurer.

LOS ANGELES

By C. H. Doane

Good news! The March 10th earthquake did not affect the local Frats, who are reported all safe and well. No tall office buildings in Los Angeles were felled, although many chimneys were. The tremor was not as severe as in Compton and Long Beach, where several Frats are living, but they were not injured.

The local ex-Easterners, who had had experience with tornadoes, cyclones, and floods when they lived in the East, said they preferred to stay in California, as in comparison with the eastern tornadoes and floods, they claim earthquakes cause fewer casualties.

On March 5, last, a social was given by the Los Angeles Division and the Sunshine Circle jointly. Their purpose was to raise the fund of the Sunshine Circle, which is composed of deaf ladies only, whose aim is to help the local deaf in need. During hard times the Sunshine Circle is of much help to many who are in want of food and clothes.

On May 6 a regular meeting will be held from 8:00 to 9:30 p. m. only. After that time, in the same hall, there will be a Dinty Moore and Jiggs Social given by the Division. Members, bring your wives and friends. Refreshments will be served. The Division President urges all members to be present at the business meeting at 8:00 p. m. prompt so that a sufficient quorum can be had in order to transact business till 9:30 o'clock.

The Division Secretary mailed over one hundred reply postal cards to the non-resident members and also those who were absent from the last meeting. They were for a mail ballot. The Division wishes to know how many members will vote for the 1939 Frat Convention in Los Angeles. Nearly half of them have not yet replied to the Secretary, who wishes to receive all

ST. PAUL-MINNEAPOLIS

By J. J. McNeill

The "500" and bunco party given by the division on March 18 was a big success. The St. Paul team beat the Minneapolis team for the championship. The committee announced a hard times dance on the 22nd and expects a big crowd. Don't forget the date.

Ingval Dahl was called back to Chicago to work on a big order for windows and doors for a big building in Washington, D. C., and the company intends to send him out there to put them up. His wife accompanied him, and we all congratulate them for their good luck.

Prof. V. R. Spence of Faribault gave a talk at the Club House on the 25th of March, and a good crowd turned out.

A big bunch of Frats will go to Faribault on May 13th to see the annual baseball game between the Alumni and school teams. The Alumni team will win this time (?).

FORT WAYNE

By J. E. Pershing

The Dudlo Mfg. Co., a branch of the General Cable Corporation of Rome, New York, was shut down last month, throwing about 3,000 men and women out of work, among whom were Brother Thomas and five other deaf. About half of them have been transferred to the main plant at Rome. Brother Thomas is undecided whether he will move or not. The demand for the type of products made at the Dudlo plant was less than at the Rome main plant, where the same lines are made; hence the close of the Dudlo branch here.

Brother Springer of Chicago is staying with his daughter, who is a resident of Fort Wayne.

OMAHA

By R. W. Mulin

The 7th of April was Brother Clayton's 10th wedding anniversary; just an ornery day it was to both the Mr. and Mrs., while they pushed along with their regular duties all forlorn and forgot—until it was eight bells, when a brotherly mob led by Captain R. Anthony blew right into the midst of the Clayton home while the Mrs. was tucking the kiddies away to bed. Yep, they were awfully surprised, also very glad. Then, soon as this here "Doc" Clayton gets wise to our stunt, we made him bring in a mess of trash from off'n his front porch. T'wasn't trash after unwrapping, only a handy

assortment of tinware, which will glad-den their hearts ten years hence.

Brother Revers' birthday was on the 15th, and he, likewise, was surprised through the efforts of his pretty brunette in keeping these plans dark for a week before. He was then caught in his shirtsleeves, resulting in a nice rosy blush. There were jiggety puzzles and cram games, prizes, and eats above anything you'd ever get at the Waldorf.

We regret Brother Osmun had one of his horses swiped by some low lifer, but it was a ole nag, and since he's doing well, he will find a lot of better ones at any race track that can do $\frac{1}{2}$ mile in 49 sec. flat. Besides, this coming 3.2 per cent will see his corn shell out a plenty.

With the return of jobs, Brother Paden is painting houses, R. Anthony built a huge show window for a furrier, Brother Nelson is making window shades again at his old job, Brother Treuke is back at cabinet making, and Ed. Berney washes the dishes while his wife minds the baby.

Brother Cuscaden is ever at his job making ice in ten-ton lots in preparation for our summer ice boxes, and ice tea for the ladies fair. It is not exactly that he is an ice man, because he does not even try to earn a rupture with such icebergs any more, but controls the intricate handling of a huge crane with six different levers that do anything except sit down. And his boss thought it was no job for the Deaf, because he cannot hear the ice freeze!

Brother Toner's 31st anniversary was made merrier with a bridge party on April 2nd, and the prize of a cigaret container went to Brother Long, also a needle, thread and thimble set to Mrs. Ormes. Brother Toner paints automobiles, you know, and, unlike many, he has the knack of holding a job all through dull times.

PHILADELPHIA

By J. F. Brady

Under the smooth-working degree team, composed of Brothers John Roach, Edward Kier, Hugh Cusack, William Klein, Joseph Tosti, Joseph Donohue, Howard Ferguson and Charles Kepp, four novitiates became acquainted with Billy Goat, who rammed into them understanding and wisdom. The four bearing his imprint of W. A. E. are Brothers Edward Kaercher, Frank Mescol, Warren Holmes and Charles Killian. The latter required two years in which to overcome his timidity in acquiring knowledge. Besides one of the largest local crowds in attendance, the following visitors from Reading Division—Brothers Sechler, Schantz, Randolph, and McCormick—took in the proceedings. As they say up in the country, everybody reported a good time.

Charles Schrager has returned to the Division after wandering hither and yon, transferring from South Bend Division. He has seen a good bit of

cross-section of the country, and reports "no progress" industrially.

A man who is working full time these days is certainly lucky. Those who have had smooth sailing these rough times are Joseph Tosti, Fred Carlson, Edward Wadleigh, Henry Silnutzer. There may be a few others who have escaped my notice, nevertheless the number is not large. He is a very smart and far-seeing guy who can say which is the best of all trades, assuring the steadiest employment.

Do not have any doubts about the stability of the N. F. S. D. The annual statement in the April number of THE FRAT tells the story of the steady progress in dollars and cents. Have you looked up that part telling the total number of members? 176 allowed their certificates to lapse, but 142 new members came in, leaving only 34 as the loss, excluding deaths. What a wonderful record it is alongside of 7,241 members! And over one-hundred thousand dollars more in the funds in one year! At the same rate of growth the Society will, in three years, have a total of two million dollars. Just think of it—and the money belongs to you! Of course, it must not be inferred that you can write the Home Office and demand your share when you need it. You will get it when you are disabled and your beneficiary will receive hers or his when you depart this life—provided you live up to the laws, and pay your dues regularly. Sorry there has to be a string to it, but it can't be helped.

SEATTLE

By A. W. Wright

After a long, lean year in which not an applicant knocked at our door, though several prospects were lined up, the boys had a chance to juggle with the white and black balls at the April meeting, and Organizer Carl Garrison began his deputyship most auspiciously by signing the official document to be sent to headquarters. And to further encourage bashful or money-shy aspirants to come forward, the division's share of the fee was remitted.

Brother Bradbury moved that the president's salary be slashed in keeping with the times. Before President Brown could put the motion it was seconded and passed unanimously. The startled president, without salary, seemed to think they were going to take it out of his hide. By the laughter that followed he realized it was April 1.

Next October Division No. 44 will be twenty years old. To honor the occasion a committee consisting of Brothers Christenson, Bradbury, Bodley, Hanson and Wright was appointed to receive suggestions or concoct ideas of their own. Some of the boys remember way back when the division, lacking cash for rent of a hall, used to gather in L. O. Christenson's print shop, using the composing stone for an altar, and every now and then being admonished by Lewis to make less pi.

Pale and haggard from a two-months' illness following an operation for appendicitis, but well on the road to recovery, Art Fischer was down from Everett to greet friends. He admitted he came pretty close to meeting "Gabriel over there."

SCRANTON

By H. B. Young

Members please note change in Treasurer's address—803 Elm Street, Scranton.

Hooray! Our first 1933 application for membership was passed upon at our April meeting, and your reporter has heard that prospects are bright for another addition soon. Fine and dandy! We have plenty of room for lots more.

Talking about beating the Depression—some of our boys certainly have the "Old Man" on the run. Several are using their persuasive talents to good advantage in the selling line, among whom are R. Lloyd, introducing a useful household article, and E. Cawley, handling the famous Hoyt products. Brother Shanoske has taken over the management of the late Brother Koehler's chicken farm, and with the able assistance of Brother Vernovage is disposing of the hen fruit in a very business-like manner—Atta Boy! Brothers.

Wednesday, April 5 was a big night in local deafdom, the Scranton Oral School Five meeting the Alumni Five in a fast game of basketball on one of the local courts. The game provided plenty of fun and thrills. The Alumni, being long out of practice, furnished a good bit of fun during the first half, being snowed under by the score 13-0, but in the second half they got into the swing of the game, and amid plenty of thrills the score came to 8 to 9—total score 22-8—with Alumni on the short end. Not so bad, considering it to be the first game they had played in 20 years. With a little practice we would have a first class team to represent our Division—How about it, boys? Let's get going.

Hey folks, just a little advance information: Chairman Armfield announces something extraordinary for the Social May 27—so better make up your minds to attend. Boost! Boost!

WACO

By A. M. Bowman

J. D. Lowrey, who has been deputy county clerk the last 30 years, is now without a job, due to the fact that a new county clerk was elected. Brother Lowrey is now making his home with J. B. Davis. He is 70 years old, and has just recently applied for old age benefit.

Some one entered the home of G. M. Walker one night and took \$9.00 which he had in his pants pocket. Perhaps Brother Walker will be more careful about carrying a fortune in his pocket after this.

Every member of our Division is urged to be present at our next meeting, as some very important business is likely to come up, and we wish as many members to be present as possible.

JERSEY CITY

By C. T. Hummer

Judging from the number of entertainments recently held, Jersey City seems to be the mecca for affairs of out-of-town organizations. This can be attributed to the low rental of first class halls. The local Division gives an entertainment every month on the second Saturday immediately after adjournment of the regular meeting in its lodge room. The proceeds from these entertainments go to pay the dues of members out of employment.

Interest in the N. F. S. D. prize essay contest by graduates of next June at the New Jersey School for the Deaf increases as the time draws near. The incentive to the winner will be free admission to either of the local Divisions.

The secretary of Jersey City Division would appreciate postage being sent along when replies to communications are desired. Since a large majority of the communications cover some kind of a business undertaking and the object is to gain patronage, the secretary feels justified in making this request.

Brother Hansen of Trenton, N. J., is a frequent and welcome visitor at the meetings of the Division. He never shows a lack of interest in his Division.

DAYTON

By H. P. Munday

Our 28th anniversary held on March 18 was a brilliant affair, ably managed by E. B. Morris. It was well attended and a program of various games carried out. Among the contestants, Mrs. Fred Freimuth was the lucky winner of a toaster, guessing the contents of a small box. The charming wife of E. B. Morris has our thanks for her efficient helping of her better half.

Brother and Mrs. Alby Peterson recently made a delightful visit to Brother and Mrs. Kennedy in Columbus. They are all products of Minnesota, and life long friends.

Recently the two largest factories of Dayton, namely, the National Cash Register Co. and The Frigidaire Corporation had a write up in the daily newspapers of starting work in their factories at five days of eight hours a week. We would advise any brother seeking work there to save his carfare as only a few new men were taken on. Most of the old employees are still unemployed.

E. B. Morris has exchanged his old Chrysler for a brand new Plymouth sedan. Watch his dust this summer.

SYRACUSE

By T. A. Hinchey

A third death within six months recently occurred among our members, the victim being Brother Arthur Ensworth, 57, of Oswego, who died on March 17. He had been ill three months, of heart disease. A native of Guilford, he had lived in Oswego for 15 years. Among those surviving him are his brother, Clinton Ensworth of Akron Division.

Our birthday dinner on May 27 has been cancelled, but plans are being formulated for an outing on May 28. Brother Strail is in charge. Details of site are lacking.

Old Man Dope was given a rude jolt April 9 when on a pair of trick alleys at Rochester, our Saline team, 3-time state champs, bowed to the Buffalo team by 109 pins in a rubber match. Our boys were unable to fathom the Rochester alleys, and were below their form. We have no alibi to offer. Congratulations to the Bison team, who deserve their newly-won title. Coughlin of Buffalo was high scorer with 532, and Webber, 208, for solo. In the doubles event, however, the Syracuse retained their state title by beating the Buffalo team of Coughlin and Krahling by 25 sticks. Coughlin again was high with a 600 series and 235 for high single. Credit should go to Brother Bill Murphy, manager of the new state champs, for his indefatigable efforts to bring home the bacon. The team averages of Binghamton, Buffalo and Syracuse teams are as follows. Binghamton, 801; Buffalo, 852; Syracuse, 872.

CHICAGO 106

By F. B. Wirt

After business, at the April meeting, the eight contestants in the mustache race lined up. They were Brothers Hinrichs, Ruskin, Sprague, Libbey, Montesano, Nelson, Johnson and Ursin. The judges were Grand President Roberts, Grand Sec.-Treas. Kemp and Brother Blair. The judges squinted at the mustaches with a sober eye, measured them with a yardstick, put scales under the mustaches and weighed them and came to the conclusion that Brother Ruskin's mustachio was the heaviest one of the bunch, then turned their attention to the classy tufts of hair on the several upper lips. Brother Hinrichs was "it." Both got cash prizes for their sweatless effort. It was lots of fun while the judging went on, and we all concurred with their decision.

Brother Nelson, who has the Chinatown trip on hand reported he has about 25 applications and feels the number to be insufficient and is open to about 25 more. So the date was postponed to May 10. All those who register with him will be mailed the information as to meeting place and time. The mayor of Chinatown consented to address our banquet, and Mrs. Ursin will interpret for us. So hurry up and get in on the fun. All welcome—your name and a dollar bill to E. A. Nelson,

MEMPHIS

By Leland Maxwell

Victor Cavolo, 14-year-old son of Brother and Mrs. John B. Cavolo, has won the spelling championship of St. Patrick parochial school, and the right to enter the county-wide spelling bee to be held at the Tech. High School, May 12. One of the dailies will pay the expenses of the Memphis winner to Washington, D. C., May 30, to participate in the National Spelling Bee, offering prizes amounting to \$1750 donated by that and associated papers.

A. R. Pilgreen of Calhoun City, Miss., was in this city Sunday, April 2, to see the world-champion Yankees cross bats with the local nine, and especially Babe Ruth, who had an off day at bat. The mightiest of them all was as disgusted as anybody in the stands.

A directory of the deaf in Tennessee has been compiled and published in pamphlet form by John A. Todd. The 32-page directory reveals that 117 deaf adults live in Knoxville, 91 in Memphis, 83 in Nashville, and 49 in Chattanooga. The directory has another list of those who used to go to school in Knoxville, but are now living in other states. Orders for copies at 15c each may be sent to Brother Todd at 396 Walker Ave.

Anybody coming here for the Cotton Carnival, which will be in full blast May 10, 11 and 12? A descendant of Chief Chisca will be here in war paint for the opening of the carnival—dedicated this year to DeSoto and the Chickasaws.

The celebration of the Memphis Division in honor of its 20th anniversary, held on Saturday, April 8, was a success in every way. But the attendance was not up to the standard for economic reasons. Brother Correll, assisted by Brothers Armstrong, Charter and Todd, arranged the entertainment with surprise features for members and their guests. Rev. Robert Fletcher of Birmingham, Ala., gave a talk, enjoyed by all present.

SAN DIEGO DIVISION No. 110

By W. H. Foster

Our February, March, and April socials were a great success in spite of the small crowds.

We have made up our mind to have a social every month, and the admission promises to be the lowest ever seen in years.

Some of our brothers went up to Los Angeles to attend the masquerade given by Los Angeles Division. They were Brothers Law, Grimse, Wilson, Hinton and Svejda.

Last month at the meeting Brother Grimse paid his dues with a five dollar gold piece. The members had lots of fun teasing him, saying that he had been trying to hoard it, but had to give

it up to pay his insurance.

Brother Barnett of Los Angeles Division was a visitor at our February meeting.

HARTFORD

By H. V. Jarvis

The social after the March meeting was made attractive by Monte Carlo Whist. Good games and good prizes will attract the crowd. Keep it up, Brother Cole.

To resident members: Each one of our officers urges you to attend the meetings, held only once a month. Surely you must stick together in these trying days. The place for flowery oratory is in the meeting, not in the back room, pool room, speakeasy or Y. M. C. A. Such oratory would prove of great benefit to the division as a whole, and lessen your officers' burdens, and make the meetings congenial and worth attending.

Brothers, show your spirit, share your knowledge, cooperate, get your chum to join, and No. 37 will be better and better, bigger and brighter.

To non-residents: Our regular meeting will start at 7 p. m. and close by 8:30 p. m., so you can enjoy yourselves with us at the socials until the last car for home. Come often.

When you desire information from the secretary, kindly do so in a letter, not on a postal card just to save two pennies, but a poor way to transact N. F. S. D. business; and always enclose a stamp for reply.

To the public: Leave us off your sucker list for chain and anonymous letters and anything else like that.

BALTIMORE

By A. P. Herdtfelder

A nondescript Frat basketball team composed of Brothers McCall, Stern, Pfeiler, King, Demarco, and H. Friedman fell before Brother Behren's well seasoned Silent Five to the tune of 31 to 18 in a game replete with pangs of regret and pity and outbursts of laughter and admiration. The Fraters were puffing like a steam engine during the first three quarters of the game, but came on like wildfire in the closing minutes of play and won the applause of the crowd. The graceful passing of the Behren cohorts and their all around playing ability is a great credit to their coach.

Brothers, wasn't that last after-meeting social a corking good one! The movies could not be beat for thrills, pathos and what not. And now for a change we are going to put on a literary program for your pleasure and edification after our May meeting. Several fine speakers are scheduled to give short talks. Come and enjoy this intellectual feast as the guest of the division.

Unless plans go awry, May 30, 1933, is scheduled to go down in the history of the local division as a red letter day. Brother Stern, fresh from several years sojourn in Detroit, where he enjoyed the social affairs of the deaf of Michigan and neighboring states, is

out to do things up brown for us on Memorial day. Detailed information is lacking at this writing, but our brothers will be given the opportunity to find out what Brother Stern has up his sleeve at our May meeting.

Lest ye forget:—BOOST BALTIMORE FOR 1939!

KANSAS CITY

By O. L. Sanford

Happy days are here for a few more frats, thanks to Kansas City's ten year plan. Such a plan provides labor for men who are hard up and several frats were lucky enough to get a permit to work at \$3.20 a day.

A play and party will be given at the Olathe school on May 13 by Mrs. T. L. Sexton, and a crowd from all parts of Kansas is expected to be present.

Our president, Fremond Offerle, is back with us again after being absent two consecutive months with illness.

Mr. and Mrs. Frank Herrig drove over to Olathe last week with a car full of groceries, and the Olathians showed their staunch support for the convention by buying almost everything he had. Soon cars will go to other neighboring towns.

SPRINGFIELD, MASS.

By F. L. Ascher

Our next entertainment is scheduled for Saturday evening, May 20 at Memorial Hall, 44 State Street, when Chairman Dramin will sponsor a "Hollywood Party." This party will consist of vaudeville acts and dancing. Yes, it will be a grand evening for all who plan to be with us. Because of poor business conditions at the present time, we decided to limit certain expenditures which we have had in the past for big affairs, but it will not diminish our famous hospitality. The admission is merely 40 cents. Chairman Dramin and his able aides are working hard to make this event a successful one, and will try to surpass our "Frat Nite Club," "Spanish Fiesta," and "Monte Carlo" Parties. Presidents of outside divisions are cordially invited to be our guests of honor at the Hollywood Party. Sunday, May 21, is the date for our field-day in Bondsville, near Palmer, Mass., which will be managed by the Connecticut Valley Club of the Clark School Alumni Association. The club house with its cooking facilities and ample field space, just right for sports, is the background. An admission of 35 cents gives anybody all the privileges of being an all-day guest of the club. A great time is anticipated for both dates. Information may be secured from the Publicity Agent, F. L. Ascher, 193 Pine St., Springfield, Mass., if desired. Final details will be sent to secretaries of outside divisions before May 6. Save these dates and let's bring prosperity around the corner.

In the near future, our officers plan to go to Pittsfield, where a large number of non-resident members reside, for the purpose of expressing their "good

will" spirit and making themselves known among these members, as many of them, because of financial circumstances, are unable to attend our meetings. This movement will certainly help encourage fraternal spirit among them.

Brother Brunsell sprang a nice surprise at our April meeting by donating very useful gifts, a handsome flag-holder, a beautifully-carved gavel with its well-built sounding block, to our division. These gifts are very highly prized and show the first-class workmanship of Brother Brunsell. Thanks, Brother.

Grand Division asks for new members. We haven't secured one this year. There are some who are not affiliated with the N. F. S. D. in our territory. Deputy Ascher will be very glad to be of any service to any other member who finds it a difficult task in urging a new prospect to join. Let's get altogether.

PORTLAND, ORE.

By C. H. Linde

The S. F. L. Club, auxiliary of No. 41, gave a St. Patrick party March 18, and there "green" was ubiquitous (hey, Brother Meagher, look it up in your worn-out dictionary) except the descendants of the Irish saint's snakes, which the feminine committee in charge evidently tabooed for good reasons. The most laughable feature of the good program was a soap bubble game in which Brother Norton tried time and again to blow a big bubble a-rolling, much to the amusement of the spectators. Cake with pistachio frosting, green-colored jello, and coffee were served. We must not let go unrecorded the fact that this helpful auxiliary presented to No. 41 a sum of \$25 as a tribute to the memory of the late Mrs. H. P. Nelson, founder and live booster of the "aux," said money to be used as the frats saw fit.

Following the April meeting of the local frats, bunco and bridge were played, the proceeds of which helped to pay part of the hall rent. . . . The meeting voted to forego an annual no-profit smoker this year because of the necessity for retrenchment, and also of lack of material for "goat-riding." But, instead, plans are under way for a good get-together of frats only in Brother Cooke's big house some time in May, the expenses to be shared pro rata among the men. . . . The secretary announced the transfer of Brother Fred Wondrack from Vancouver Division No. 113 to No. 41, and Fred was "all-smiles" when vigorous hand-clapping cheers (not of the Bronx variety) greeted the news of the transfer.

KALAMAZOO

The February, March and April socials, headed by Brothers Parsons, Whittett, Graff, Quinn and Stevens, were well attended and seemingly well

enjoyed. Mrs. Frank Adams, Mrs. Moses Graff, Mrs. Edward Parsons, and Mrs. John Orvis served good refreshments. A big annual picnic, to be given by the Division, will be held at beautiful Milham Park at Kalamazoo sometime next August. The program will be announced later.

The Division recently presented Jay C. Howard with a beautiful pen and pencil combination set as a token of appreciation for his good counsel and willingness to assist the Division at all times.

Norbert Quinn, who has been working for Henderson Ames Co., nationally known uniform makers for over twenty years, which company is now merged with a Columbus factory, is expecting to be transferred to Columbus, Ohio. The Division wishes him every success there, and will miss him very much, as he is well liked and is one of the best workers in the Division.

The Division extends its deepest sympathy to Brother Fairchild of Jackson, Mich., upon the death of his sister, and to Brother Ridler of Dayton, Ohio, and Mrs. Philip Schreiber, because of the death of our beloved brother Philip Schreiber of Flint, Mich., who often visited our Division.

The Division will celebrate the return of beer and pretzels at Moose Temple. Come one—Come all, and wet your whistles.

BRONX, 92

By F. R. Collins

Although the night was blustery with a flurry of snow, No. 92's Chinky-town Night came through with a clean sweep that even old Man-o-war on the track could not have equalled. The hall was quite filled by the time the committee, who received a nosegay and a couple of loud huzzas in advance, arrived to take up the front line trenches and it was some job before we had them all herded up to collect the 35 yen, the price of their tickee. The crowd, estimated to have been around 300, turned out to be a hilarious one and they didn't take too kindly to the city fathers' curfew hour, when it was time for all good people to be home and in bed. We regretted it ourselves, and we hope all dreamed fond memories of that eventful night. It is pleasing to know we have at last won the confidence of all, for the

competition we have been given on almost every occasion we feared would dishearten the members, but after a succession of successful affairs, the members are beginning to show signs of renewed interest and the fighting spirit is once again discernable in the attitude of the membership. Keep it up, boys.

Now that John Barleycorn's distant cousin, Beer, has been declared legally alive, it is planned to celebrate his arising with an "End of the Depression Night" on Saturday evening, May 13. Kegs of his 3.2 will be absolutely FREE to all who come. Come in your old rags for the last time. Any one coming in his glad rags will be looked upon with suspicion. For further particulars watch for our handouts.

An unusually good attendance was evidenced at the April meeting. Plenty of visitors necking with our own boys to get the secret of "How do we do it." Al. Lazar, who won the job of rapping for order last November, resembles Buster Keaton sitting on an empty barrel, and you bet they do give him some attention when he starts swinging his arms for order.

In the future, sick committees will refrain from approving claims if the chairman of that selected committee is not present. This is a serious matter and careful consideration should be given before permitting the applicant to draw on our funds.

Our division members had a good time at the "5 cent" social on April 8. Too bad some of the deaf people in the city missed it.

The next social will be held on May 13, under the management of Edward Klier, an old bachelor. He'll show us lots of pep if a large flock of girls attend the party. After the whist party games will follow.

Be deaf to all talk about the depression and hard times now. It is the best time for all members to cooperate and stick together by urging your wives and friends to help us enjoy our social parties. They are only once a month. Let us make them successful.

Cheer up! Summer will be here very soon. We will have our first picnic of the year at our old place (Pine Grove) on May 30, Decoration Day. We'll celebrate all day, playing baseball and outdoor games. Fun for everybody!

Notice to members: Any member desiring a loan for his dues must notify our senior trustee—W. H. Sears, 1464 State St., Schenectady, N. Y., on or before the date of the monthly regular meeting. Other loans for personal purposes cannot be allowed.

side line from other Divisions. The number was 35 less than the March meeting and the writer has a hunch that they were kept away by April Fool tricks. Nevertheless, the session went on from "soup-to-nuts" in orderly manner.

Our 24th Annual affair held on March 18th at Arcadia Hall was rather poorly attended, about 450; whereas, in the past, we always drew around 1,000. Needless to say, it was "Ole Man Depression" doing his last stunts. Better times will be here soon, and the turnstiles will be fiddling "Click, Click, Clicketty Click." Prizes to the amount of \$105.00 were distributed for the dancing contest, etc. Visitors from all over—California too—were present, and from all appearances the affair was a success.

Carmel Arcelesi has been admitted to our fold via the transfer route from Bronx Division No. 92.

Samuel Rogalsky, the "Big Shot" from Pittsburgh, is all steamed up, sleeves and all, for Sammy has been appointed chairman of our coming Hallowe'en Party. Also, Abraham Morrell, Brooklyn's latest "Tarzan" has been given the reins of our Thanks-giving Carnival. 1934 being our Silver Jubilee Year, big things are likely to happen, therefore Nicholas J. McDermott, who still holds the record of pulling in the greatest gate receipts, will have charge of our 25th Annual Ball. McDermott, who is better known as "Nickey" has something up his sleeve, so watch these columns, boys.

Another death, by accident, has taken from us Brother Alex. Dezen-dorff. He had been in the employ of a fruit and produce exchange for over 50 years, and on the day of his funeral the firm closed down to pay its respects.

BOSTON

By D. McG. Cameron

The smoker after the meeting on April 1st was an enjoyable one. Even the novices, who almost to a man heeded and responded to the call to be present, seemed to relish it and went through their paces like true soldiers. As Vice Grand President Battersby reminded them, they are all the better after receiving their full fledged degrees.

For the May meeting, we will have marine whist and no one will be disappointed with the prizes to be given to the winners. For June the committee decided to have a movie show. The May meeting will be called at 6 P. M. and thereafter there will be no meeting called later than 7 P. M.

Plans for the annual July 4th picnic are being retarded, until the Committee decide on the location of the affair. For once the Division has decided to give those against holding the picnic at Danvers their chance to attend it some other place. So far the Committee has not succeeded in finding another location.

At this writing there is no visible improvement in employment conditions

among our members, and the deaf in general. The shoe workers strike has been settled in some shops, but since then the leather workers have gone on strike and employment in the shoe and leather line are uncertain. It is said that only 4 deafmutes have been taken back in the Ford Assembly Plant, where between two and three score were formerly employed. Work in other lines, such as building trades and machinery are at a standstill. This will serve as answers to those who have written the writer as to business conditions in and around Boston and as to their chance of securing work.

Brothers McCord of Lowell and Jarvais of Providence took in the meeting in April and were interested spectators of the way our degree team works.

CINCINNATI

By F. J. O'Brien

Visiting Frats upon arriving at Cincinnati's new Union Terminal may rightly wonder if Alladin and his magic lamp have been resurrected. To attempt a description of this masterpiece of unification, its architecture, murals in mosaic, sculpture, treatment of floors and wall surfaces, the fountain and cascade adorning the plaza in front of the station and the great arch in front of the structure, would take up the entire May issue of THE FRAT. Suffice to say, the total cost exceeded \$40,000,000.

In "Man Dominant," our grand president writes that, in their generation, men's lives and memories are too short to profit by the mistakes they have made. I sincerely hope that in this machine age, with millions of men idle, man will regain his dominancy by revising these present faulty economic conditions to insure a more contented and prosperous maintenance permanently.

Louis O'Brien, youngest son of F. J. O'Brien, is a guard on the St. Mark basketball team which won the parochial school championship for the second time. A silver trophy and gold basket balls were awarded the victors.

NEWARK

By B. L. Doyle

On Saturday, March 25th, Treasurer Alfred Shaw took President Thomas Blake in his Willys-Knight car to the School for the Deaf, West Trenton, N. J., where our president gave a lecture on the late Francis P. Gibson and the N. F. S. D., in the school auditorium. The object of the trip and lecture was to start an essay contest among the older boys at the school. Both Newark and Jersey City Divisions have started to educate them about and to create interest in the N. F. S. D., to get new members. About a half dozen of the students will be given free memberships in the divisions, each division taking those living in or near their territory. The lecture

was very interesting and instructive to a large audience. Superintendent Alvin E. Pope, of the school, a great friend of the N. F. S. D., who was among those present to "hear" the lecture, invited President and Mrs. Blake to spend the night at his home, because of the inclement weather.

Newark division is considering a plan for a monster get-together picnic or jamboree of the deaf of New Jersey in the latter part of July or early in August. The division intends to include the Jersey City division, the N. A. D. branch of Trenton, the deaf social clubs of Paterson, Belmar and other organizations in the undertaking. Students and alumni of the Bruce Street Oral Day School for the Deaf in Newark will be urged to come in too. The gathering will be held at one of the numerous lakes or beach resorts in New Jersey. It is the plan of President Blake to get the deaf of New Jersey together on friendly and intimate terms for a good time and a pleasant outing, and it is his desire that the various differences of those gathered will be ironed out. Notices of the plan are being printed for distribution and soon a working committee of all concerned can be formed.

The coffers of the division have been enriched to the extent of \$36.37 which was realized from the joint ball held last January. The Jersey City division, which ran the ball jointly with our division, got a like amount.

QUEENS

By J. E. Taplin

The regular meeting was held Saturday evening with nineteen local members and three from Brooklyn Division No. 23 present.

Secretary Gillen will send Easter greetings to Brother Constantin, who still ill at the hospital, with best wishes from all of our members.

Brother Farnham has transferred to Queens Division from Los Angeles, where he resided for some years.

Bro. Buchanan, formerly of St. Louis Division, secured a job as tailor, which he has held since he came here.

On Saturday evening, March 25, we had silent movies called "Broadway and Mother's Millions" at the Y. M. C. A. About 80 people were present, and all agreed the play was most interesting and enjoyable.

Queens Division will hold a "500" and Bunco party at the same "Y" on April 22, also another movie will be held some time in May. How to reach the Jamaica Y. M. C. A.—Take the Broadway-Jamaica "L" and get off at 160th St. Station, where you can easily see the electric light sign "Y. M. C. A." one block from the "L." Please bring your own playing cards.

SAN FRANCISCO

By H. O. Schwarzklose

President Whitworth, who has been laid off since Jan. 9 at the print shop where he was a pressman, has returned to the home of his parents in Newman.

We view his leaving with regret, and hope he soon returns.

The showing of Troy Hills' movies was a great success. The hall was packed, and everyone enjoyed the reels and asked for more. The views of the different schools shown, and the travels in Boston and Washington brought memories to many of our members who originally came from other states. One young lady remarked that she became "homesick" on viewing the picture of the Lexington Ave. school in New York. We advise those divisions who have not seen the pictures to make arrangements to do so at their earliest opportunity. Our thanks are due, not only to the committee in charge, but also to Mr. T. L. Ingle, State Vocational Officer, who went to a great deal of trouble and made several trips across the bay to Oakland to get the movie screen for us.

Geo. Rhiley of Canada, member of Toronto Division, was a visitor with us at the April meeting. He gave a very interesting talk, and complimented us on the wonderful weather (its 82° here today, Apr. 2), and spoke of his work as mail carrier in Canada. We are always glad to see George, a fine, upstanding man and a friend to be proud of. He intends to visit Los Angeles for a few days and then return to San Francisco before going home.

The quake in Los Angeles and Long Beach, 500 miles from here, did a great deal of damage. We sincerely hope that none of our Southern California brothers (and sisters) suffered any loss.

Brothers Schwarzlose and Austin are to show the Hill films at the Berkeley School on Saturday, Apr. 8, in an agreement with Brother Stevenson.

SAGINAW

By G. J. Janicke

The April meeting and social party of the Saginaw Division was held at the home of Brother Dundas. Due to the depression and the hard-hit members of the local division, it has been impossible to maintain club rooms as we have been doing in the past, so we now hold all meetings and parties at members' homes, much to the satisfaction and comfort of all.

John Janicke is still confined at the T. B. Hospital but is rallying after a severe relapse. Brothers wishing to visit him may do so only on Sunday, Tuesday and Friday, instead of every day, as previously.

Our May meeting will be held at Brother CummiFord's home on May 4. A buffet supper has been planned. It has been whispered about that he has

invited the brothers to eat all they please in the pantry, but they are to keep out of the ice box!

Brother Minaker has arrived back from a trip into Northern Michigan, where he owns a 60 acre farm. He plans on poultry raising and farming this spring in case of a lay off. He invites all brothers up to his farm for chicken dinner. Bring your casting rod, trout rod and favorite flies, for his farm is in the heart of the trout, pike and bass fishing country, and your correspondent is one who is going to gobble up the "invite," and so is C. Lawrence of Bay City.

LOUISVILLE

By J. William Ferg

There never was a time when your attendance at the Division meetings was more needed than now. While we should always be keenly interested in the affairs of our great brotherhood, the adverse conditions of the present and the uncertainty of the future should intensify the interest. Your welfare is dependent upon the success of your Division—and the success of your Division hinges upon your attendance at meetings and the interest and co-operation you display—it is also an evidence of your appreciation of the services of the brothers who carry on in office. They devote much time to their work, often sacrificing time that they might otherwise use for their own personal pleasure. They do this without complaint, so boys, do not think it too great a task to show up once a month and share your knowledge, wisdom and ideas with your less fortunate brothers. Think it over!

While Brother and Mrs. John J. Frederick and "Uncle" Pat Dolan were attending No. 4's movie show on the night of March 11, the Frederick residence on Eastern Parkway was entered by intruders. They were scared away, but they tarried long enough to swipe "Prexy" Pat's best Sunday suit, so if you see Pat using the side streets nowadays, you will understand why. Pat has since bought an entire new outfit and has taken the future precaution of double locking his possessions.

The first break in two years in "Prexy" Dolan's "official family" came at our April meeting when the resignation of Brother Fred L. Harris as Vice-President, Junior Trustee and chairman of the Sick Committee was reluctantly accepted. Brother Reiss was prompted to become a second edition of "Smiling Jack" Garner; Brother Waldron from Sergeant-at-arms to Director and Brother Flynn was elected to the job vacated by Brother Waldron. They were immediately sworn in and started to function "famously." Brother Reiss has long been one of No. 4's "old reliables" and has well merited the promotion. For the balance of the year, "Prexy" Dolan announced he would voluntarily do a lot of visiting to sick or disabled members and also act as the third trustee should occasion arise. Good old Pat, we're strong for you!

No. 4's 'steenth annual picnic will be held Sunday, July 16, at beautiful Shawnee Park—true to tradition—that night, the bright lights beckon you one square north. Nuf sed!

FARIBAULT

By Toivo Lindholm

The Faribault Division is giving a supper and party on May 13, Saturday, at the Eagles' Hall on Third Street, across from the Fire Department. The affair will follow the Alumni baseball game at the School for the Deaf. First, there will be a meeting of the Frats at 5:30, supper at 6:30, and dancing and card-playing (500 and bridge) at eight o'clock. The committee promises a grand time to all. Come!

The Lauritsen domicile is getting crowded. Wherefore? Because of the addition of Robert Roper Lauritsen, who dropped in on February 27, and, liking the surroundings, has decided to stay for good. Charles and Nancy, Bro. and Mrs. Lauritsen's other children, are tickled over their new brother, and don't care who knows it.

Mrs. David Roth, the mother of L. A. Roth, after a long lingering illness, passed to the Beyond on February 25, at the age of 82. All the brethren extend the bereaved their full sympathy upon the loss.

WESTCHESTER

By S. J. Riley

Brother Bowdren has decided to pull off a Bunco Party May 20 instead of holding a Spring Dance as originally planned, on account of the necessity of bringing expenses down to speaking terms with everybody.

The event will probably be held at the Knights of Columbus Hall, Stevens Ave., Mt. Vernon, N. Y. A great time is assured, so now do not forget the date.

Our popular treasurer, Wm. B. Melis, was taken down with a bad case of pleurisy last month and has been sent to the Grasslands Hospital, Eastview, N. Y., to recuperate. We hope the much needed rest there will prove most beneficial to him and enable him to return fully recovered.

Lester Cohen of No. 87 and C. Weimuth of No. 23 were honored guests of our division at its recent meeting. Come again.

"Say, looka heah, Rastus, you all know what you're doing? You was going away for a weekend and they ain't a stick o' wood cut for the house."

"Well, what you all whinin' about, woman? I ain't takin' de axe."
