A Repertory Theatre for the Deaf? . . . The Frat's All-America Basketball**

IN THE U.S.A.: **Santa Fe, N.M.**—Through the efforts of the District Attorney and the local Optimist Club, the Jr. N.A.D. of the New Mexico School was able to sponsor one of the most forceful and impressive programs of these times! Two long-term prisoners of the New Mexico State penitentiary—one serving 25-50 years for armed robbery and the other a life term for murder, were brought to address the student body in handcuffs! They narrated through their own experiences—that CRIME DID NOT PAY!

Danville, Ky.—Another of the 65 national sites declared eligible for historical landmark status is the 108-yr.-old Jacobs Hall (built 1857) on the campus of the Kentucky School for the Deaf. Time and again movie companies have used this building as a background for depicting the Old South.

EDUCATION: Dr. Ralph L. Hoag, son of deaf parents, and the last 3 years in an administrative post in the Dept. of Health, Education and Welfare in Washington, will be supt. of the Rochester School this coming fall. He will replace the retiring Dr. James H. Galloway . . . Dr. Eric S. Greenaway, one of the most respected English educators of the deaf, retired from his position at the Yorkshire School in Doncaster, England; he had served as Headmaster since 1941.

THE STAGE: Rep. Hervey G. Machen (D-5th-Md.), sponsor of the bill that created a National Foundation of Arts and Humanities, has been working on a proposal to start a permanent Repertory Theatre for the Deaf. A \$9,800 grant would cover an experimental troupe of talented actors and actresses, plus a stage crew to perform in areas within 800 miles of the nation's capital.

SPORTS BEAT: Billy (Cannonball) Jernigan, the No. Carolina School's contribution to the FRAT'S ALL-AMERICA grid team the last years will play in the annual East-West All-Star game in Greensboro, N.C., August 4. It will mark the first time that a North Carolina School player has been invited to play in the state-wide prep bowl game! . . . Admitted to the AAAD Hall of Fame this year were Alexander Fleischman, sports leader; Nathan Lahn, a coach, and Morris Davis, a runner in the player category. Fleischman has served the AAAD in nearly every capacity since 1945, and was one of the originators of the Hall. Lahn has coached at schools for the deaf in the

midwest for 39 years, recently retiring from the Iowa School. Davis has won over 300 medals in walking competition. During the recent 10½ mile Walkers Club of America competition held for all over 60 on Thanksgiving Day, he finished 13th out of the 33 entered, and he is 66!

New York—City of Churches

by Aaron Hurwit

MOST of the early settlements in America were established by groups seeking religious freedom. New York, founded by a Dutch trading company, was a notable exception. Nevertheless, the city has played an important role in the history of several of America's religious groups, and is probably the most important religious center in the nation.

Among the more than 3,300 houses of worship in New York are many that are of unusual interest. New York City has the oldest Protestant church in America (Marble Collegiate Church, founded in 1628); the oldest Jewish congregation in America (Congregation Shearith Israel, popularly known as "The Spanish and Portuguese Synagogue," dating from 1654); the most famous Roman Catholic church in America (St. Patrick's Cathedral); and the largest Gothic cathedral in the world (the Cathedral of St. John the Divine).

Trinity Church, for example, known as the parent Episcopal Church in America, was granted royal charter by William the Third of England in 1697. In its churchyard, hemmed by the towers of Wall Street, are the graves of Alexander Hamilton, Robert Fulton

and Captain James Lawrence of "Don't give up the ship" fame.

Not far away is the Georgian-style St. Paul's Chapel (1766), oldest public building on Manhattan Island, where President George Washington's pew is preserved, with the Presidential coat of arms.

The famed St. Patrick's Cathedral is considered one of the finest examples of modified Gothic architecture in the United States. It has 17 side altars of marble, and its 70 stained-glass windows are superb examples of this ancient art form.

Not far from old New York World's Fair site is Browne House, built in 1661. Once the secret meeting place of the Society of Friends, it is now preserved as a shrine to religious freedom. Nearby is the Old Quaker Meeting House, built in 1694 and still in use.

Historic St. Mark's-in-the-Bouwerie, built in 1795, was the country estate of Dutch Governor Peter Stuyvesant and the church stands on the site of his family chapel. Stuyvesant and all his direct descendants are among the notable people buried in the churchyard.

The early architecture of Syria and the East appears in the adaptation in the Temple Emmanu-El, largest syna-

gogue built in modern times. Its brilliantly colored interior shows strong Byzantine influence. The Temple of the Ark here, containing the scrolls of Biblical law, is placed in a beautiful mosaic sanctuary.

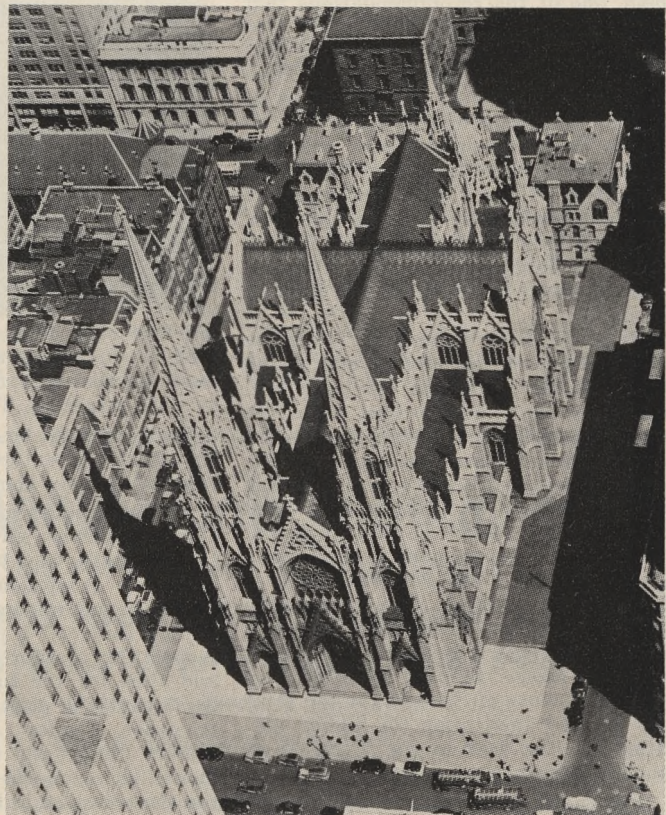

The nave of the world's largest Gothic cathedral, the Cathedral of St. John the Divine, is believed to be the world's highest room: 124 feet. Above the main entrance door is a superb Rose Window. There are 21 chapels in the cathedral seating 15,000. Behind the High Altar are seven more small chapels. Begun in 1880, the cathedral is still being built.

Another well-known sightseeing attraction is the Episcopal Church of the Transfiguration, popularly known as "The Church Around the Corner." It acquired the name in 1870 when the pastor of a fashionable congregation refused burial to an actor and suggested that the mourners try "the little church around the corner." Since then, the church has been a favorite with theatrical people.

A free "Visitors' Guide and Map" published by the Convention and Visitors' Bureau may be obtained by writing to the Bureau at 90 East 42nd Street, New York, N.Y. 10017.

The interior of the giant Cathedral of St. John the Divine, largest Gothic church in the world, has been under construction for seventy years. The church seats 10,000 persons.

St. Patrick's Cathedral is one of the largest and most famous churches in the country; it is modeled after the Gothic-style Cologne Cathedral in West Germany.

FRANCIS P. GIBSON'S LAST MESSAGE:
 "CARRY ON"

MAY-JUNE 1966

New Committee Out of Balance

WHEN an Advisory Committee on the Education of the Deaf was established in 1964 to make a study of the problems of the education of the deaf and of the programs in the nation which are directed to meeting them, one of the recommendations that resulted from this one-year study was the appointment of a continuing National Advisory Committee on the Education of the Deaf by the Secretary of Health, Education and Welfare.

This recommendation was accepted by the Department and in March, 1966, the names of the Committee members were announced by President Johnson. There are twelve members in all, headed by Dr. S. Richard Silverman, Director of the Central Institute for the Deaf in St. Louis.

While we have no quarrel with the qualifications of the persons making up the National Committee, we most certainly do voice our protest over the representation. No less than four members represent pure oral schools. Six can be considered lay people as regards the education of the deaf. Two members are deaf: Mr. James Orman, principal of the manual department at the Illinois School for the Deaf and President of the Gallaudet College Alumni Association; Dr. Richard Thompson, psychologist at the Beverly School for the Deaf, Beverly, Mass. Ignored entirely are superintendents of Schools for the Deaf and the only institution for higher education for the deaf in the world—Gallaudet College.

It is incomprehensible to us how the Committee can properly function without representation by the schools where the bulk of our deaf students are—the State Schools for the Deaf—and by

Gallaudet College. To put it bluntly, somebody goofed and it would appear that biased thinking got the better of the person or persons who influenced the choice of the Committee.

Such an important and continuing Committee must have better balance if it is to best serve the deaf students of our nation, and action should be taken as soon as possible to rectify this imbalance.

Grand President's Visits

Knoxville

IT was our pleasure to be in Knoxville, Tenn., on Friday, March 25, to attend the Honors Day program in the assembly hall of the Tennessee School for the Deaf that afternoon, and to speak at a banquet, held jointly by our Division No. 20 and Auxiliary No. 143 at the Farragut Hotel in the evening.

Near the end of the awards ceremonies, honoring a long list of deserving pupils for their various achievements, Dr. W. Lloyd Graunke, head of the School, called on Secretary Gertrude Elkins to announce the winner of an essay contest sponsored by her Auxiliary Division. We were given the privilege of presenting Cherryln Bourgeois with a handsome trophy and some cash for her winning essay, "My Best Friend." We also had the opportunity to personally present \$25 U.S. savings bonds to Susie Crowley and Bruce Messer. The NFSD Home Office annually offers such awards to boy and girl students of schools for the deaf who are adjudged by their teachers as having the best qualities for leadership and good citizenship. In making the presentation, we explained what our great Order is and does for the deaf people.

We were taken on a tour of the school and it delighted us to meet many members of its staff whom we knew in our youth. We inspected a new primary building still under construction. It is circular in shape and the classrooms have the best equipment, including wall to wall carpeting. The tots will love it.

We appreciate Dr. and Mrs. Graunke's hospitality in entertaining us at a reception in their home.

At the banquet of our local chapters, Harley Bishop gave the invocation. Conley Akin was toastmaster. At the end of a sumptuous dinner, Gertrude Elkins beautifully recited in signs "The Bridge Builder," a poem. Our talk concerned the present state of the NFSD and aims for the future. We concluded by announcing that more awards were in order. Conley Akin, Earl Elkins, Robert Lange and Odell Tillman were named as recipients of the 25th Degree for their service in behalf of the Order. Then we presented Gertrude Elkins with the 34th Degree, the highest honor in the NFSD earned by service. A jeweled pin, the gift of her Auxiliary

sisters, and a card certifying the honor were included in the presentation.

The banquet closed with something new in the way of entertainment. Leander Moore, physics teacher at the Tennessee school, gave an hour's demonstration of a variety of scientific tricks that baffled and amused the audience. The show was educational, too.

The following day, Conley and Lucy Akin with Fred and Ida Armstrong took us on a trip to the scenic Smoky Mountains. On the way we stopped at a nursing home to pay our respects to George Rawlston, a grand old frater, who is hospitalized there. Thank you, folks, for the fine treat.

Chicago No. 106

We did not have to go far on this visit. Hagerly's Restaurant, situated on the northern fringe of Chicago, was the scene of the 40th anniversary banquet of Chicago (Oral) Division No. 106, on Saturday evening, April 23. Some 65 people were enjoying the cocktail hour when we arrived. The feast was a la Smorgasbord—in other words, one could eat all one wanted to, with plenty of delicacies to choose from.

Gordon Rice masterminded the program, which opened with Division President Allan Wilson extending greetings to all. We spoke on the success and problems of the NFSD as well as sundry matters. David Wilson, the erstwhile Clevelander, in his talk gave the hearing man's estimate of the capabilities of deaf people, which was highly complimentary. Thanks, Dave.

Befitting the occasion, 21 brothers were honored for their labors to the Division. Those receiving the 34th Degree, along with jeweled pins emblematic of the honor, were: Lewis Ruskin, William FitzGerald, Jule Guthman, Irvin Friedman, Gordon Rice, Harry Strom and Allan Wilson. Recipients of the 25th Degree were: Louis Rozett, Werner Schutz and Chris Mezilson. Ours was the pleasant task to present the awards. Eleven brothers were also named as receiving the 15th Degree. Each of the above mentioned awards was supplemented with a hand lettered certificate embossed with gold seal as a memento.

The festivities wound up with an amusing skit performed by Irvin Friedman and his missus, and a pantomime act by Marvin Loeb.

OUR COVER

Featured on this issue's cover, which also has taken on a new format is the photogenic Dennis Etheridge of the Wisconsin School for the Deaf running the gamut of emotions.

These pictures originally appeared on the front cover of The Wisconsin Times, publication of the Wisconsin School for the Deaf, and is the fine work of Bros. Mark Carter, the school's photographer and Waldo Cordano, the printing instructor.

Etheridge is a senior at the school. We are sure you will agree he teamed up well with Carter and Cordano for a most eloquent production.

Pittsburgh Aux. Celebrates

AS befitting an organization whose 10 years of prosperous growth has seen its membership rolls more than doubled since inception, Pittsburgh Auxiliary Division No. 144 celebrated its 10th Anniversary in grand style in the plush Pittsburgh Hilton Hotel the evening of May 21. Making the affair a night to remember was the smooth movement of the program which testified to the painstaking preparations of co-chairladies Evelyn Hess and Maude Sparks, assisted by their efficient committee composed of Erma Ludovico, Dorothy Bednar, Wanda Smith, Ruth G. Ludivico and Dolores Emery.

In the absence of Ruth G. Ludivico, whose husband had suddenly been taken ill, Lydia Abbott, president of Akron Auxiliary Division No. 154, presided as toastmistress at the banquet and did a fine job considering the short notice.

The evening's program commenced with the invocation given by Rev. Frank Wagenknecht, pastor of Trinity Lutheran Church for the Deaf in Pittsburgh. After Ruth D. Ludovico's beautiful rendition of the poem "The Bridge Builder," Evelyn Hess welcomed the 160 plus banquetees, among them representatives of neighboring Divisions. Mrs. Maude Sparks, president of the Division then spoke glowingly of the steady growth of the Division and the fine spirit prevalent among its members. Grand Secretary Frank Sullivan, the guest speaker, noted the accomplishments of the Division and of the Society as a whole, expressing the hope that with the admission of juvenile members the future growth of the Society would be more rapid.

And what is a banquet without entertainment? A clever song and dance routine, "Me and My Shadow," superbly performed by Gayle F. Maurer and Erma Ludovico was well received by the audience. The magician especially imported from Toledo, Ohio, for the occasion, also proved to be a tremendous hit, establishing an immediate rapport with his audience through his fluent use of sign language. Added highlights of the evening's festivities was the presentation of 25th Degree awards to Genevieve Alexander and Maude Sparks followed by the song "God Bless America" sung in signs by Elizabeth Taylor of the Cleveland Auxiliary Division and the daughter of Mrs. Sparks.

The banquet could rightly be said to be a fitting testimonial to the efforts of the ladies of Pittsburgh Auxiliary No. 144 through its first ten years.

It was with much regret that we later learned of the demise of Mrs. Ludivico's husband, Carmen, on the following Monday. Bro. Ludivico was the president of Pittsburgh Division No. 36 and had been highly active in community affairs.

FRATERS IN THE NEWS

A NEW \$800,000 church is going up in Danville, Ky. and members of Cincinnati Div. No. 10 can point with pride to one of their Brothers as having played a vital part in its birth. He is Bro. Hilbert Duning, active paid-up member, who is connected with the architectural firm of Cellarius and Hilmer in Cincinnati.

Bro. Duning has been with the company 30 years and is in charge of the production of sketches. His 15 years' experience in design of church edifices brought him to Danville with Mr. Cellarius to discuss the proposed building with the church committee.

* * *

Our Canadian Brothers would be interested in knowing that the Williamson clan, all members of Toronto Div. No. 98, became the first all Canadian family to be enrolled in the NFSD. This fine family boasts of three girls.

We regret to report, however, that the father, Bro. William, passed on only last March. The bereaved widow, Sis. Norah, will have her girls to look after her.

The accompanying picture shows pa and ma in the foreground and the girls, (left to right) Jean, Helen, and June.

The person on the left in the accompanying photo is easily recognized by baseball fans for he is none other than Leo (The Lip) Durocher, now manager of the Chicago Cubs. The

happy fellow on the right? That's Bro. Paul Dramin, of Jacksonville No. 88, who paid a visit to the famous man in his Los Angeles home back in 1957. Leo gave Paul an autographed baseball of the '57 World Champs Milwaukee Braves as a souvenir and reminisced of the time he played ball with Paul's father, Bro. Max, a paid-up member of No. 88. Durocher and Max grew up in Springfield, Mass. and played a lot of baseball and basketball on opposing teams. The two often got into scraps and Max remembers of Leo's powerful arm which turned him into a great infielder. Bro. Max, himself, was a fine second baseman and was selected along with Durocher on the Springfield, Mass. all-star team. Both became good friends and Max regrets the fact he did not enter professional baseball on the urging of Leo.

Small wonder it is that Bro. Max, an ardent Yankee fan for many years, switched his support to the Chicago Cubs.

Omaha's Fifty-fifth

by Tom R. Peterson

SATURDAY, April 23rd, was a red-letter day for the Omaha deaf: it was the 55th anniversary for the Omaha Frats and they celebrated it with a large banquet at the Castle Hotel; and the guest of honor and main speaker was none other than Leonard Warshawsky of Chicago, assistant Grand Sec'y.-Treas. of the NFSD; and there were exactly 132 people, including four from Kansas and three from Denver and about 20 from Council Bluffs, Iowa.

A most interesting and enjoyable program followed the banquet which was interspersed with short and pithy jokes; it was a good speech that Bro. Warshawsky gave, extolling the interest of the NFSD in the NAD and the AAAD and announcing 3,000 deaf women now in NFSD. The program concluded with a fitting climax in the form of a series of most original and funny skits under the direction of Jack R. Gannon, deaf teacher at Nebraska School for the Deaf.

Besides the speech and the skits, and with Bro. Hans Neujahr as toastmaster, the rest of the program was as follows: a good and soul-stirring rendition of "Star-Spangled Banner" by Mrs. Frances Burgess, wife of Bro. Ray Burgess; and a short and humorous speech, "Highlights of 55 Years in Omaha Division", by Bro. Scott Cuscaden; and an informative discourse on the work of the Nebraska State Vocational Rehabilitation Services by Fred Novak, Director.

Bro. Warshawsky personally awarded Karel Macek, 81, one of only two charter members of Omaha Div. yet living, a gold-plated card of billfold size for 56 years of membership, and also Scott Cuscaden and Oscar Treuke for 50 years each. And he made special mention of Bros. Cuscaden, Treuke, Neujahr, Peterson, Beran and Rewolinski for achievement of the 34th Degree.

To the Omaha Frats Bro. Warshawsky was a V.I.P. (Very Important Person) all the time between his arrival and departure by jet-liner and there was always a personal escort for him wherever he was. Now they only hope that Omaha captured his heart as he had captured the hearts of the Omaha deaf at the banquet, and in conclusion, they give highest praise to John Rewolinski, good, old "work-horse" chairman, and his committe: Bros. Earl Petersen, Vernon Meyer, Keith Stinger and Everett Degenhardt, for that most wonderful 55th-anniversary banquet of wonderful 55th-anniversary banquet. (IT DID!—L.B.W.)

Without hesitating or regard to his own personal safety, he picked up the grenade and tossed it back to the enemy, saving the lives of his buddies nearby.

Bro. Selmer Engene took advantage of his

AKRON AUX. No. 154 (Sandra Krainess)—Some of our Sisters are suddenly feeling old; their children are graduating from high school this summer. They are Sisters H. Vujas, A. Barty, J. Miller, and M. Hawk.

Sis. E. Taylor retired after many years at Goodwill Industries. Her co-workers gave a farewell party in her honor and gifted her with money, etc. Essie decided to use the money by vacationing in Florida with her husband. Both have since returned and are looking wonderful.

The Stork presented Sis. Kay Kelly and her hubby with a boy last April, their first child.

We were pleasantly surprised when the Brothers of No. 55 donated some money to add to the proceeds we earned from our February social for the Children's Home. We realized \$125.38 at this social and the generous members of No. 55 gave \$125.00. The \$250.00 total was matched by the NFSD Home Office for a grand total of \$500.00! The money was presented to the Home during Volunteer Recognition Night at which time the various organizations who have helped are honored. The local newspaper picked up our story and even included a picture (see photo) which shows Mr. William Leitner, third from left, receiving checks from (left to right) Bro. John Bradley, Sis. Lydia Abbott, and Sis. Anna Pettitt. Mr. Leitner is resident supervisor of Merrywood Division of the Summit County Children's Home.

AKRON No. 55 (H. S. Dobson)—Fifteen new members, three from Cleveland, came through in pretty good shape during our Smoker held after our April 30 business meeting. Bro. G. Crichton, in charge of this affair, saw that good refreshments were served and that everybody had a jolly good time.

Bro. Oscar Williams, who was struck by a car while crossing the street, died from injuries after spending two weeks in the hospital.

Bro. Taylor Baker passed away recently after an illness that carried through seven months. He left a wife and one daughter.

Don't forget to plan on attending our annual picnic at Geauga Lake Park, Sunday, July 3. Bro. Edmund Abbott and his committee promise a great time for all. Everyone is welcome!

BATON ROUGE No. 128 (Eugene Pippins)—Our Division will celebrate its 20th anniversary with a banquet at Mike and Tony's in October with Bro. Max Ray as chairman. Prior to the banquet a Smoker will be held with Bro. M. Biennu in charge.

Bro. and Sis. M. Biennu proudly announce the engagement of their daughter, Sis. Hazel, to Mr. Edward Paul Wood of Salem, Ore., June 18.

A beautiful belt buckle was awarded to Bro. N. Broussard, one of the members on our Division's two bowling teams, who had the most improved bowling average during the past season.

Bros. N. Lefors, B. Hankel, H. Barbin, M. Ray, and L. Babin, representing our Division, bowled their way to first place in the 20th annual bowling tournament of the Southwestern Association of the Deaf Bowlers of Alexandria, La., April 23-24. A beautiful trophy was brought home by the victorious five and we are very proud of them!

BIRMINGHAM No. 73 (Rush Letson)—Bros. Robert Fletcher, Sam Rittenberg, and Olen Tate attended the State Vocational Rehabilitation Dept.-Alabama Association of the Deaf seminar in Montgomery, March 19. Each one

of them gave interesting talks to guide the VRA staff on the needs of the deaf.

Bro. Cecil Dover had the misfortune of having his right hand mashed by a pressing machine while at work. Several stitches were required and it was almost 6 weeks before he could return to work.

Bro. Charles Thorn decided to leave our town after many years as a linotype operator at The News. He's now subbing at a newspaper plant in Washington, D.C. while awaiting a call from the Government Printing Office. Good luck, Charles, and do drop in to visit with us as often as you can.
