OPERATION LIP-READ: Gallaudet College recently revealed how "Operation Lip-Read" was conducted by *Life* magazine with the aid of Gallaudet associate professor Robert F. Panara and Freshman Alton Silvers. During the University of Maryland-North Carolina football contest held at the former stadium, a powerful telescope was trained on the lips of England's Queen Elizabeth from a box across the field. As the Queen spoke, both Panara and Silvers relayed the conversation to nearby correspondents, who in turn, made tape recordings. After the game both were flown to the executive offices of the magazine in New York City via private plane. Here they aided in

matching the Queen's comments with the pictures taken. All appeared in the October 28 issue.

"Why a Fraternal Society?"

By Judge Waylon Rayburn, Member of Woodmen of the World Society

From The Fraternal Monitor

I AM sure each of you can think of a great number of reasons why men and women join fraternal benefit organizations. I am sure that each of you have your own personal reason, and perhaps a good reason, for joining the fraternal benefit society of your choice.

During the latter part of the 19th century, a great number of fraternal benefit societies were formed in these United States. No doubt, the one impelling reason for the birth of this large crop of fraternal benefit societies was due to the fact that men and women found it necessary to cooperate, assist each other and work together for the accomplishment of a specific objective. As a very simple and crude illustration, I am sure that a great number of you are familiar with the neighborhood barn-raising activity that took place in communities throughout our country during the latter half of the 19th Century. A man found it impossible to raise the logs, place them one on the other to the height required for storing tobacco, shelter stock, etc. Hence, his neighbors would gather in and help him do the job, and this sort of thing went on from farm to farm throughout the various communities.

But coming down to our own day and age, suppose we ask ourselves the question, "Why did I join the particular fraternal benefit society in which I hold membership today?" Perhaps a friend invited you to join a certain fraternal society and you imposed confidence in your friend and becoming interested in his or her particular zeal for this particular fraternal association, you "joined up." This is a reasonable and laudable excuse for certainly there is nothing objectionable about a person being influenced by his friends and associates as long as that influence is in the direction of encouraging membership in a fraternal benefit society. Then, again, some people join fraternal benefit societies because of loneliness and an intense desire for companionship. Man, by nature, is a social animal, and becomes very lonely indeed if he finds himself in a place where he has no close associates with whom he may share moments of sorrow and moments of joy, and this is a very fine reason for joining a fraternal benefit society.

Perhaps the desire for fellowship has influenced more people to join fraternal benefit societies than any other particular reason. Good wholesome fellowship of men and women having common interests, common desires and common objectives is a necessity for clean, wholesome living. Men and women naturally seek the fellowship of others having common ideas and holding to mutual principles and fellowship is the very basis for mutual understanding, good will, and good neighbor practices among men and women of any given community, and the various fraternal

benefit societies are second only to our churches in providing the opportunity and the setting for the type of satisfying fellowship that results in peaceful, pleasant and happy relations among people in any given community.

No doubt, a great number of people join fraternal benefit societies because of an inner urge to render service to their fellow man and this is, indeed, a most laudable reason for joining a fraternal benefit society. In this age of hurry and bustle, with special emphasis on speed in work, communication and travel, it is indeed refreshing, and in fact restores one's faith in mankind, to find now and then a person sincerely dedicated to the desire of rendering helpful and unselfish service to other men, and of course, a fraternal benefit society is second only to the church in providing the opportunity for one to render service to others. Membership in a fraternal benefit society makes it possible for the members to share experiences, all of which is not only interesting, but beneficial as well. A few people, usually the leaders of any given community, are those who are able to learn and profit from the experiences of others, and the association in a mutual benefit society provides an excellent opportunity for one to learn and profit from the experiences of his neighbor. Actual experience is not what happens to a person, but rather what a person does with what happens to him or her. If the experience is pleasant, profitable and of benefit to others, it is well that it is repeated again and again. Whereas, if the experience is unpleasant, distasteful and detrimental, then it should be avoided not only by those who have had such experiences, but by those who have shared such experiences.

Without question, a great number of people join fraternal benefit societies because they sincerely believe that the particular objective sought, that is, protection in the form of insurance coverage, a burial benefit, or some type of service, can and will be provided at a cheaper rate than the commercial companies in the field, and certainly we all know that a fraternal benefit society will take a greater personal interest in the individual than will the big private corporation for the fraternal benefit society is known as the organization with a soul, and therein lies the difference.

There is magic in a fraternal society. In fact, the good will and spirit of mutual helpfulness generated prove that the various fraternal benefit societies are magical enough to swallow up and eliminate the hatred, bitterness distrust and selfishness throughout the world provided that in each community in the world there existed the various fraternal benefit societies of which you and I are members.

A few years ago, a chief officer of one of the national powers of the world determined to come to America in person to make a study of America, its government, institutions and organizations for the purpose of finding out for himself the secret of the strength and power of our democracy. This important person went first, of course, to New York City and while there visited Wall Street, the financial center of the world, and was so deeply impressed with the tremendous buildings, the great financial transactions and the accumulation of instruments of wealth, that he said to himself, "This great financial district is surely America's strength." Later, he visited Washington, D. C., the capital of the United States, that may be properly termed the hearthrob of the world. And after spending considerable time visiting and studying the governmental institutions, the Congress of the United States and the great historical shrines and temples, this noted stranger said, "This indeed is the secret of America's strength and power."

Before our visitor returned to his country, he was a guest in a rural home in one of our western states. On this day that he chanced to visit in this rural home, the inhabitants of this community gathered at the home of a sick neighbor of our visitor's host and spent the day harvesting the crop of this unfortunate neighbor, receiving only as compensation for their day's work, the thanks and appreciation of the sick neighbor. After viewing this scene of all the men in the community gathering at the home of a sick neighbor and performing for him free of cost this great task of harvesting his crop, our visitor said, "This is truly the secret of the greatness and power of America." And certainly this is true of our fraternal benefit societies, and each member of our fraternal benefit societies know that if misfortune or adversity overtakes them, their fellow members will come to their aid and assistance, and not only perform the work or provide the service necessary to the unfortunate, but encourage them in every way possible, and assist in any manner necessary to enable them to overcome the misfortune or adversity that has befallen them. May I leave this one parting thought with you today: what we do for ourselves alone, dies with us; what we do for others remains and is immortal. So, may I encourage you to be loyal to your particular fraternal benefit society, for it provides you with an opportunity to render some service or perform some act that will remain to honor you and bless you long after your mortal existence ceases.

The most important single ingredient in the formula of success is knowing how to get along with people.

FRANCIS P. GIBSON'S LAST MESSAGE:
"CARRY ON"

JANUARY-FEBRUARY, 1958

New Insurance

AS WE announced in the November-December issue of THE FRAT, the Society began issuing certificates based on the Commissioners' Standard 3% table of mortality January 1, 1958. In adopting the new mortality table, the Board of Directors also approved making available to applicants several new classes of insurance that were not previously issued by us. We now have a wide variety of insurance plans that fit in with the demand of prospects who are approached for membership in the Society.

Pamphlets describing these new plans are being prepared for distribution to Division secretaries, who in turn will pass them out to Division members. It is then hoped that all members will do their part to interest others in joining the N.F.S.D. It should be pointed out that the rates are very low for the younger ages in all classes and this should be an incentive for our deaf youth to take out insurance in the Society as soon as they can.

While waiting for the pamphlets to be printed, we are explaining below the different plans of insurance. It would be a good idea if members would tear out this page and have it handy to refer to when going after those prospects. The rates are shown on the last page of this issue.

CLASS L—ORDINARY LIFE. On this form of certificate the insured makes the required payments for the duration of natural life. The full death benefit becomes payable to the beneficiary at any time, if payments are up to date. This form of insurance provides economical insurance for those desiring simple protection.

CLASS M—TWENTY YEAR PAYMENT LIFE. The required payments are made for twenty years, when the insurance matures and becomes pay-

able at the death of the insured. It also becomes payable on the death of the insured at any time before the end of twenty years. This form of insurance is very popular with those who wish to complete payments in a shorter time and during the period of greatest earning power.

CLASS N—TWENTY YEAR ENDOWMENT. Required payments are made continuously for twenty years, when the insurance matures and the full face value of the certificate will be paid to the insured while still living. In case of death before the end of twenty years, the full insurance will be paid to the beneficiary of record. This form of certificate will appeal to those who wish to provide a lump payment to themselves at the end of twenty years. It is savings plus protection.

CLASS P—ENDOWMENT AT AGE 65. The required payments continue until the insured reaches the age of 65, when the insurance matures and the full face value will be paid to the insured. If death occurs before the age of 65 is reached, the full insurance will be paid to the beneficiary of record, if payments are up to date. This form of certificate is attractive for those who want a little nest egg when they reach the age of 65, to help supplement Social Security benefits.

CLASS Q—LIFE PAID UP AT AGE 65. The required payments are made until the insured reaches the age of 65, when the insurance becomes paid-up and payable at the death of the insured. It also becomes payable on the death of the insured at any time before reaching the age of 65. Those who like to make lower payments over a longer period of time will find this type of insurance economical.

CLASS R—TERM TO AGE 65. The required payments continue until the insured reaches the age of 65. Protection is afforded only if the insured dies before reaching the age of 65. The certificate has no insurance value thereafter. This type of insurance is handy for those who want to be insured for only a certain length of time, for business or other reasons, for a large amount.

1959 Convention

THE next quadrennial convention of the Society will be held in Detroit, Michigan, July 15-18, 1959, Wednesday to Saturday, inclusive. Headquarters will be at the Hotel Statler, which is ideally located in the downtown section of the city.

This announcement is made now so those who plan to attend may have ample time to make preparations.

The committee on arrangements, selected from among our Detroit members, is composed of: Robert Davies, chairman; Gerald Adler, publicity; Estelle Davies, secretary; Alexander Jankowski, treasurer; Marvin Kaplan, Sylvan Levin, Paul Keisling, Robert Baird, Benjamin Beaver, Aloysius

Japes, Sam Gompers, Eugene Hartley and Ivan Heymansson.

The committee has been quietly at work ever since 1955, when Detroit was proclaimed host to the forthcoming meeting. It has made fine progress toward raising a fund to finance the entertainment program. With the selection of hotel and other preliminary details completed, the committee from now on will attend to the more strenuous work ahead. Arrangements are being made to accommodate and entertain throngs of delegates and visitors of the size that our past conventions attracted.

More information about the city of Detroit and the convention plans will be published from time to time.

Dr. A. L. Roberts

AN ACKNOWLEDGEMENT

THE death of Dr. Arthur L. Roberts has served to focus attention upon his tremendous contributions to a significant segment of the American community. Much has been written and much more will continue to be written of the life and works and the ideals of this most unusual man.

To the writer, however, has been given the opportunity to observe him from a vantage point somewhat different from that available to his associates in the various organizations of the deaf.

For a quarter of a century it has been the author's rare privilege, as Counsel for the National Fraternal Society of the Deaf, to work with and under the direction of Dr. Roberts, in those areas where the interests of the deaf contacted those of the general community. And, in these often difficult relationships, his tolerance, understanding and unerring perception made him outstanding in the community in general.

In combatting legislation restricting the right of the deaf to own and drive automobiles, it was his patient research and accumulation of statistical materials that enabled those of us, who fought the fight, to convince Judicial and Legislative minds that such prohibitions were unrealistic, arbitrary and unnecessary. And, again, when existing casualty insurance companies refused to accept deaf persons as assureds on automobile policies, it was Dr. Roberts' foresight and vision and his resolve and determination to impel the risk carriers to write such coverage—and, as a consequence of which, now many reputable casualty insurance companies seek this business.

In all of these discussions and negotiations, as well as other important problems that arose from time to time, pertaining to the National Fraternal Society of the Deaf, Dr. Roberts was the leader, the director, who, by timely insertion of a word, or phrase, or a unique idea, made all these and many more advances possible for the deaf.

No person can expose himself to the

rare, the unique personality, without being affected thereby. This has been the experience of this writer—an experience which he will cherish the remainder of his life.

This monumental personality has left the imprint of his greatness upon his times, upon his associates and upon the character of all those fortunate enough to have known him.

JOSEPH S. GRANT

Get Your Quota

IT HAS often been mentioned in these pages that the chief need of our Society is a considerable increase in membership. Our present 10,000 members, forming 131 Division units, are scattered over the country and Canada, making the per capita cost of doing business high. Therefore, more members are needed to offset the rising costs.

It has long been our aim to have 15,000 or 20,000 members. These figures could be attained gradually over a period of years. The progress during the last decade has been at a creeping pace, like the proverbial snail's. To bring about better results, we are endeavoring to intensify the drive for new members. In this task we need the utmost cooperation of Divisions and individual members.

In an adjoining column, we print a list of our Divisions and the quota of new members each Division is expected to get during 1958. The list also gives the number of new members obtained thus far. It shows that some Divisions have already made excellent headway towards fulfilling their quotas, which is very encouraging. We urge the other Divisions to get to work in earnest. We believe you will all agree that the quotas we have allotted each Division are very reasonable, and so with a little effort there shouldn't be any difficulty in having the quotas completely filled. If organized action appears necessary, a Division could appoint a membership drive committee to push and plan the project.

Despite keen competition in the insurance field these days, we are continually getting new members. With a little more determination to go after them in earnest, we can get new members in greater numbers.

Go-getters will receive the usual prize of ten dollars for each block of five new members obtained during the year. In addition, they will have a chance at the Grand Prize, a free trip to the Detroit convention in 1959, including first class railroad fare, 4-day lodging in one of Detroit's finest hotels and admission to all affairs staged during the convention. This coveted prize will go to the one who brings in the most new members between November, 1957, and June, 1959, inclusive. In counting the new members, they must be in good standing on July 1, 1959. Two other prizes for the runner-up and third place winner are planned.

Let's all be GO-GETTERS and pull together.

THE MOVIES: Veteran actor James Cagney who plays the late Lon Chaney in "The Man of a Thousand Faces" says here: "My real problem for the film was not to do with the makeup but the sign language. You see, since Chaney's parents were deaf mutes, I had to communicate with them in the picture through signs. I knew some sort of sign language that I learned when a boy, but since these were make-shift, it was necessary for me to learn all over again—and I'm glad about it!"

TOLEDO AUXILIARY No. 148 (Doris Allen)

—Brother William and Sister Victoria Proshok are the first among the deaf to own a 1958 Edsel—a beautiful two-tone coral and gray car. My, how we envy you, Bill and Vickie! Brother Warren and Sister Dot Chaplain took Sister Ida Proshok West to spend a week in Denver, Colorado, last September. Sister Proshok remained there to be with her daughter.

We extend our heartfelt sympathy to Sister Ruby Davis on the loss of her husband. Brother James Davis had been ill for many months. We will miss him greatly. He died October 28 in Denver, Colorado, but the funeral services were held here in Toledo. Reverend George Almo conducted the services.

Election of officers for 1958: President, Dorothy Chaplin; Vice-President, Glenna Ford; Secretary, Doris Allen; Treasurer, Ethel Neal; Director, Janice Madalinski; Sergeant-at-Arms, Mabel Pfahler; senior trustee, Maybell Reinbolt; second trustee, Lelia Price; third trustee, Ruby Davis.

PHILADELPHIA No. 30 (Gabriel Gryszka)—This division was deeply shocked upon word of our Grand President Arthur L. Roberts' death. We wish to express our sympathy to his bereaved wife.

Be it known to all members that our Christmas Party last December 8 was a very gay and enjoyable event in spite of a small attendance. However, the food and drinks went begging.

Try to remember to attend our next affair—the Annual Spring dance to be held on May 3,

1958, at Moose Hall.

Our 50th Anniversary banquet will definitely be held at the Benjamin Franklin Hotel in 1960. Watch for this "once-in-a-lifetime" affair.

LOS ANGELES No. 27 (Ray F. Stallo)—Brother and Mrs. Donald Nuernberger are proud parents of a son born on Veterans Day, November 11. So far we have been unable to bring papa Don down to earth long enough to learn more details. Also in the New Parent degree are Brother and Mrs. Charles Yates, who were blessed with a girl sometime in October. Congratulations to the both of them.

We were all saddened on the sudden passing of Mrs. Himmelschein on November 22. She was the wife of Bro. Simon, one of our two remaining charter members, and was well known and loved up and down the Pacific coast. Sister Ethel leaves a void that will never be completely filled.

Our division is looking forward to another successful year in 1958. Able President-elect Max Thompson reports he has a number of plans and with the capable staff of officers elected for the year to assist him, 1958 should be a record breaking year for us.

MEMPHIS No. 38 (James Caldwell)—Our division will celebrate its 45th anniversary with a banquet Saturday night, March 22 in the Balinese Room of Hotel Claridge. A good entertainment will be given to all who attend. Come one, come all to Memphis on the Mississippi river and help celebrate our division's 45th anniversary.

A good crowd showed up to celebrate the New Year with a banquet at the same hotel. A two-hour motion picture of the International Games of the Deaf taken in Milan, Italy, last year was also shown.

Who will get the nod for the 1963 national convention site for the NFSD? None but Memphis! Let us all back Memphis at the coming Detroit convention next year.

SYRACUSE No. 48 (Carlton B. Strail)—Brother Clem Coe, Jr., just purchased a 1958 Chevrolet Biscayne from a cousin of Carmen Basilio, the prizefighter. Brother Roderick Brown became an owner of a 1958 Plymouth before the new year came in.

The local division and the Syracuse Civic Association of the Deaf sponsored a combined Christmas Party for the members and their families. Over 30 children were given presents by Santa Claus. Movies and refreshments were furnished. Ye news writer was chairman with assistance from Brother Allan Pabst's wife who was a representative of the association.

Brother T. A. Hinchey's daughter, Nancy, was married to a local man December 28. They are now residing in Texas where Nancy's husband is employed. Hinchey's son, Tommy, and his wife came home on his leave from his army station in Chicago.

The visiting sick committee appointed by the president are: Allan Pabst, Sr. 213 W. Beard Ave., Phone Gr. 8-2346; J. L. Reisman, 2661 E. Fayette St., Phone Gr. 2-3991; Stanley Blaszczanski, 122 John St. All reside in Syracuse, N.Y.

After the installation of the 1958 officers by Brother T. A. Hinchey, the division held an open house for all the members and their guests.

Johnny, weighing 7 pounds and 10 ounces, was born December 7 to the Edward Schmidts. The division extends congratulations to them.

Ye news writer would appreciate it if every member would send in news items.

WESTCHESTER No. 114 (Julius Berest)—The "Open House" of December 7 brought cheer to our division. We were honored with many visitors from Brooklyn Division No. 23 and Manhattan Division No. 87 and many guests came with greeting for our new home as well as for the anniversary of division's founding. Brothers from Brooklyn No. 23 were: D. Schreiber, G. Seltzer, M. Smith, H. Neidle, H. Barret, C. Weinstock, and from Manhattan No. 87, J. Farliser, J. Reiferson, M. Miller, B. Cross, and A. Solomon. Greetings were conveyed to us by brothers A. Hurwit and J. Farliser representing their divisions. The social program for the evening was well planned by Brothers Sylvan Riley and Ira

Memorial Fund

THE response to the announcement that a Memorial Fund for our late Grand President, A. L. Roberts, had been set up has been most gratifying, and we are happy to report that at this time the Fund has grown to \$612. As stated in our last issue, all money contributed to this Fund would be used to establish a memorial that would perpetuate the memory of Dr. Roberts. The 1959 Convention of the Society will decide the best manner in which we can show our appreciation for Dr. Roberts' long and devoted service to the Society.

We are listing below the names of contributors to date. Others interested in donating to this Fund can contact Bro. Frank B. Sullivan, secretary-treasurer of the Society, at the Home Office. Remittances should be made payable to the A. L. Roberts Memorial Fund.

Lerner. Refreshments were served afterwards.

Past President L. Bayarsky thanked the members for their fine cooperation which brought the division to its fine standard today.

Brother Hugo Guidi was appointed General Chairman for 1958.

A movie night will be held Saturday, March 29, at the V.F.W. Post, So. 3rd Ave. and 1st St., Mount Vernon, N.Y. A good feature with English titles will be shown, so come all you Fraters and bring your friends for an enjoyable evening.

BIRMINGHAM AUX. No. 139 (Louise Letson)—We, the sisters of Auxiliary No. 139, were invited to a New Year's Eve celebration at the South Pacific Night Club, sponsored by the brothers of Birmingham No. 73. A good crowd was present at the gala private affair. The hall was beautifully decorated with colorful crepes and balloons. Confetti and hats were, of course, also furnished. The old and new officers were introduced to every one at the party. Snack dips were served.

The newly installed officers of our division are: President, Maude Nelson; vice-president, Estelle Fletcher; secretary, Louise Letson; treasurer, Maggie Walker; director, Nora Johnsey; sgt.-at-arms, Naomi Stephens; trustees, Sophia Gantous, Lila Mae Stephens, and Christine Cauthen.

★
PROVIDENCE No. 43 (Arthur Enger)—The Christmas party sponsored by our division went over big as expected. We rushed through our meeting so that we could take an imaginary trip through Europe and to attend the Silent Olympics held at Milan, Italy, via colored slides shown by Brother Greene. Beautiful summer scenes were seen of Europe cities with its flower gardens. In all, 350 slides were flashed on the screen. After the showing, a buffet supper was served. In charge of the supper were Brother A. and Sister H. Cohen and Mrs. G. Lamoie assisting. It was a very pleasant Christmas party even with Santa Claus excluded. Our thanks to Bro. and Sister Cohen and Bro. Greene.

The stork left a bouncing baby boy to the Richard Roses. Congratulations. Daddyhood in Providence is still growing as the stork has not yet left the vicinity. His next stop will be at the "House of Sedoma" in North Tiverton, R.I.

Illness has hit quite a few of our members, hospitalizing two. The two who had to go to the hospital were Sister Hannah Cohen, stricken with pneumonia and Sister Garda Newberg with liver inflammation. Sister Cohen is now home recuperating and we hope for a rapid recovery for Sister Newberg also.

Sister Helene Aidala was a victim of Asian flu. Sister E. M. Rubin had the grippe and Virginia Manville underwent an operation for a cataract removal of the left eye. At this writing all of the above have recovered.

Our annual Ball and Entertainment will take place May 24. The site has been decided upon but as the planning is in its early stages we shall have the details in the next issue. Bro. Martin Greene is chairman and his aides are Brothers Nash and Enger with Sisters Aidala, J. Haverty, and E. M. Rubin on the entertainment side.

Socials after meetings shall take place as usual.

Our officers for 1958 are as follows: President, Kimball Nash; vice-president, Martin Greene, Jr.; secretary, A. H. Enger; treasurer, Frank Sholes; director, A. O. Paradis; sgt.-at-arms, C. Hood; trustees, J. Imondi, E. Jacolucci, and M. Zebrowski. Frank Sholes can be reached at his home, 354 Thurbers Ave., Providence, R.I. You may mail your dues to him. Your secretary still resides at 265 New York Avenue, Providence 5, R.I. Call on him at any time. His door knows no locks.

★
HARTFORD No. 37 (William Newell)—All division members please note. Brother Walter Schiller, elected treasurer at the last November meeting, had resigned due to being laid off from his job along with 2000 others for 60 days at the Underwood Typewriter Co. Doubting his return to the company, Brother Schiller left for Florida where he will seek employment. We hope, however, that he will be back with us. We were glad to have back former treasurer Stanley Main who offered to take over the vacant post. His address is 9 Scott St., East Hartford, Conn.

Here is the list of our new members who have joined the division which now numbers 80. Brothers Robert Greener, Dennis Walsh, Richard Bird and Sisters Evelyn Slanda, Justine Russell, Ann Colo, Betty Bonvouloir, Albina Plaka, Grace Hadlock, Anna McCabe, Gloria Lalime, and Beatrice Desrosier. We still would like to have more members.

Our division will celebrate its 45th anniversary April 18.

We are planning an Old Timers Night for Saturday, April 5, after a short regular meeting at the Hartford Club of the Deaf, 1127

Main St., Hartford, Conn. A wonderful time is promised with good refreshments to fill you up. The committee, chaired by Bro. John Fors, will look up all the old timers, active members or not, and have them join us. If any of you members know of some old-timers, bring them along as guests. We hope to have over 100 persons. Pictures will be taken at this gathering and many good tales will be enjoyed by all.

CHICAGO No. 1 (Ben Estrin)—Our December meeting was well attended due to the "bank nite" attraction held for the last time. Names were drawn until a member who was present claimed the prize. It went to Clarence Hayman.

Brother Fitzgerald is our new 1958 president succeeding Bro. Cain, who now holds the veep post. Secretary Estrin and Director Joe Miller hold their offices again. Brothers Sendelbaugh and Burns are our new treasurer and trustee, respectively.

Friday, January 3 witnessed a short installation ceremony after which free candy bars and cigars were passed out. Films of deaf conventions and travels were also shown by Brothers Krauel and Yanzito. The division thanks them for the fine showing. Thanks also goes to Bro. Deitch for his generosity in donating a set of regalia boxes to replace the worn out ones.

The sudden death of Bro. David Ralsky November 19 came as a great shock to our division and his many friends. Our 39 year old member died of a heart attack while waiting for admission to the Wesley Memorial Hospital. He left a wife, Minnie, and three children. Our deepest sympathies are extended to them.

Brothers Bianco, Sipek, Disz, Tubergen, and Cain have been on the ailing list. Bro. Tubergen suffered a stomach ailment and was confined in the hospital for three days. Bro. Knobloch is still ill. Those wishing to see him may visit at 4644 Gladys Ave., Chicago. Get well cards and messages will be welcomed.

Bro. Cain astounded us by announcing his marriage to Ena Scott December 24. Congratulations and best wishes for a happy married life.

Brother Wallack and his wife went to Denver, Colorado to stay with the daughter and son-in-law who were expecting a new arrival. The Wallacks now are proud grandparents of a baby girl.

Bro. Max Spanjer is a proud papa for the 4th time. The daughter weighed 11 pounds. Bro. Max now has two boys and two girls. Congratulations.

Bro. Sam Golin passed cigars around to celebrate the birth of his first child—a baby girl born in December. Congrats.

Bro. Keasal's wife suffered a severe injury in a fall at home. At this writing she is on the mend.

The meeting-buffet supper scheduled for Saturday, February 1 has been postponed to a Saturday night in the Spring due to conflicting dates. Each member will pay 50 cents for the dinner while the division will absorb the balance of \$1.25 per person. Please send your 50 cents to chairman Francis Fitzgerald and get your reservation. Watch for the date. Bro. Breslin is sporting a brand new Chevrolet.

Belated happy birthday to Bro. John Sullivan who turned 70 Dec. 1.

This year we are looking forward to many new members and a summer outing which was cancelled last year.

If you have any news items you wish printed in the FRAT, please send them to Bro. Ben Estrin, 9084 N. LaCrosse, Skokie, Ill.

Our new treasurer, Bro. William Sendelbaugh's address is 5841 S. Natoma, Chicago 38, Ill.

WATERBURY No. 65 (F. P. Keating)—Charter member Brother J. Marcella passed away suddenly. We will all miss him.

Our open house, chaired by Brother DiAmbrose, was an excellent affair.

New secretary, F. P. Keating returns to his desk. Address is Chestnut Hill Rd., Sandy Hook, Conn.

The Christmas party managed by Brother and Mrs. Leonardi was a successful affair. Roast beef sandwiches, all you could eat, were served. The left overs were auctioned off.

BALTIMORE No. 47 (Charles Knowles)—Our division extends its congratulations to the new acting officers at the Home Office.

Bro. Wriede gave a fine lecture with colorful signs. We all enjoyed it tremendously and are looking forward to his re-appearance in the near future.

Three brothers, Kauffman, Hokemeyer, and Martini, in behalf of our division, paid a surprise visit to Bro. and Mrs. Schleibaum's 50th wedding anniversary and presented them with a check.

A few fratters invaded Bro. and Mrs. Sahn's new home and partook in a surprise housewarming party December 8 . . . Brothers Bankert and Tress are new papas. Congratulations! . . . On the sick list are Brothers Scherr, Kambarn, and Schleibaum. We hope you can visit or drop them get-well cards. . . Charter member brother and Mrs. George Brown celebrated their 45th wedding anniversary last November. We wish them many more happy years.

Come on brothers, sisters, and friends, attend our 2nd annual dinner-dance to be held at the Southern Hotel, Light and Redwood Sts. at 6:30 P.M. May 17, 1958. We will also, on that day, attend "Preakness Day" at the Pimlico race track. Cost is \$6 for the dinner, floor show and door prizes. Remember that date.

RICHMOND No. 83 (Vernon Cherry, Jr.)—The Tri-Division smoker, sponsored by Washington, D.C., Baltimore, Md., and Richmond, Va. Divisions, was held in Richmond Saturday evening, November 16. The affair, tremendously successful, attracted a larger attendance than was thought possible, much to the pleasure of the host Division—Richmond.

The main entertainment features of the event were the rites of initiation and the floor show. Refreshments consisted of various delicacies and beverages.

The performance by an expert team on ten initiates was a highly exceptional one and will remain in our memory for many years. The ten "goat riders" took the hazing in fine spirit.

Bros. Flae Shook, Wyatt Martin and Bernard W. Moore, members of the Richmond Division were honored with the 34th Degree for their long and devoted service to the Division. Each received a diamond-studded pin that denotes this enviable degree. Congratulations go to all three of them.

The idea of a Tri-Division smoker took fruit three years ago. Each year one of the three Divisions is host. The unqualified success of this and the two previous smokers indicates that a permanent annual undertaking will be considered. It was proved that the cause of fraternalism was furthered and the convenient geographical area has promoted the fellowship that enriches the fraternal and social life of members of all three Divisions.

Following the smoker, the wives and girl friends of the members were ushered into the hall for a pleasant social evening.

All attending were high in praise of the well-arranged affair and for this energetic chairman Meade B. Dalton and his assistants, both men and women, richly deserve an accolade. Warm appreciation is extended the Baltimore Division for bringing along its own up-to-date equipment (that good old goat borrowed from the Naval Academy).

The Richmond Division wishes to thank those from Baltimore and Washington who came and helped make the Richmond affair such a great success.

TORONTO No. 98 (Chris Hawkins)—At our installation ceremony with Patriarch George Calder conducting the ritual, we stood in memory of our charter member Rev. Augustus Staubitz who passed away December 23 at Silver Creek, N.Y.

A motion was passed at our January meeting to fine resident members for not attending our meetings without reasons.

Bro. George Calder was appointed chairman of the annual picnic affair to be held at Lakeview Park, Oshawa June 21, 1958. Preparations are under way to see that everybody has a good time.

Recent visitors to Toronto were Brothers Luther Shibley of Little Rock, Arkansas, Julius Wiggins of New York City, and Peter Stewart of Regina, Saskatchewan. Come again, please.

Bro. Billy Rule, our staunch bachelor, bought a new bungalow in Scarborough to be near his place of employment. Bro. Sherwood Benn also bought a house in Long Branch. He is a father of a new baby boy born December 14.

Bro. Harry Grooms was hospitalized last October with leg trouble.

At our meeting March 6, we will have a prize nite. If your name is drawn and called and you are present you will be allowed one month's dues free. Be sure to attend.

DAYTON AUX. No. 135 (Mary Shimer)—Officers elected for 1958 are: President, Colette Christian; vice-president, Thelma Hall; secretary, Mary Shimer; treasurer, Betty Brown; director, Maudie Goodyear; Sgt.-at-arms, Mary Tharp; senior trustee, Mary Shimer; second trustee, Maudie Goodyear; third trustee, Nannie Chesnut.

A baby boy was born to Colette and Richard Christian Nov. 17.

Our Christmas social December 14 was a great event for the adults and youngsters alike. Santa Claus was there to give presents to the kids.

WILKINSBURG No. 109 (Norman Wesoky)—New officers of our division are as follows: President, Bernard Teitelbaum; vice-president, George Lauther; secretary, Norman M. Wesoky, 1405 Severn St., Pittsburgh 17, Pa.; treasurer, Meyer L. Mervis, 6511 Bartlett St., Pittsburgh 17, Pa.; director, Theodore Altheide; sergeant-at-arms, Jack Eneyart; three-year trustee, John Jablunsky; two-year trustee, Louis Keiffer.

BROOKLYN No. 23 (Max J. Cohen)—An unusually large crowd was present for the installation of officers at the January meeting. President-elect Bro. Sansone was, however, sick and the vice-president took his chair.

Brother Aaron Fogel became a grandfather for the 7th time. Of the seven grandchildren, six are girls. What a grandpa!

On October 27, Bro. Cyril Perlow wedded Madeline Barrett of Philadelphia, Pa. Congrats.

Our division welcomes Brothers Julius Wiggins, Irwin Brand, and Charles Grant.

Bro. Alfred Weinrib became engaged to Selma Warman December 12.

Don't fail to attend our coming 49th anniversary Ball, February 22, 1958, at Palm Garden Ballroom, 306 West 52nd St., New York City. The committee assures you that it will be the best ball ever.

CHICAGO AUX. No. 142 (Sophia McIntosh)—The installation of officers, led by Sister Ruth Ohlman, took place at the Chicago Club of the Deaf January 3, 1958. The new officers are: President, Emma Freeman; vice-president, Vera Langford; secretary, Sophia McIntosh; treasurer, Ena Cain; three year trustee, Beverly Cavello; two year trustee, Pansy Elliott; one-year trustee, Flora Hertzberg; sgt.-at-arms, Anna Connor; and director, Rose Damen.

Our Christmas party with skits and fine refreshments were enjoyed by the members December 6 at the clubrooms. Grab bags were exchanged and a "bank-nite" prize went to Sister Stella Jacobson. Thanks go to Sister Virginia Fitzgerald who was in charge of the affair.

Sister Marjorie Golin and her husband, Sam, are proud parents of a bouncing baby girl, Gail Bessie, delivered by the stork December 14.

CLEVELAND No. 21 (Robert Young)—As Brother Pret Munger delivered his eloquent and heart-felt eulogy of our late Brother and Grand President Arthur L. Roberts, you could feel a stillness creep over the room. Those who attended our December meeting listened, through their eyes, with great respect. All who never had the privilege of knowing Brother Roberts, became aware of their great loss, as Brother Munger explained how closely Roberts' work was woven into the pattern of every Frat member's life. We are proud to know he followed, beyond expectation, Brother Gibson's last message, "Carry On."

Santa Claus made his annual appearance at the Xmas party and delighted the kiddies. Brother Erickson, representing our division as co-chairman, did a magnificent job along with the Ladies Auxiliary Division No. 132 and the Cleveland Association of the Deaf.

All eyes are turned towards November for it is the month when we celebrate our 50th anniversary with a banquet. Brother Sam Kline is chairman.

Brother Foster, residing in the Union Printers Home at Colorado Springs, recently suffered a stroke, but as Brother Maynard informed us, it was not serious.

On December 25, Brother and Sister Kline quietly celebrated their 25th anniversary at Johnson's restaurant. Their daughter, Diane, on the same day, became engaged to Mr. Ronald Taddeo, a medical student at Western Reserve University. Best wishes to both from our division.

UTICA No. 45 (Mary Hicks)—The new officers installed at the January meeting are: President, William Hughes; vice-president, Peter DeCesare; secretary, Ida Kennedy; treasurer, Frank Green; director, James Carole; sgt.-at-arms, Paul Eichorn; trustees, Ida Kennedy, Vernal Constance, and Thomas Benjamin.

Sister Kennedy is the division's first woman officer in its 44 years of existence. No doubt, the next election will see more of the ladies following her example.

Bro. John Kennedy received his 34th degree pin and membership card, an honor he certainly deserved. Incidentally, he and his wife, Ida, will celebrate their silver wedding anniversary January 14. Congratulations to the happy couple.

Our new president, Brother Hughes passed out cigars last December 5 when his third child, a boy, came into the world weighing 9 pounds and 10 ounces. Congratulations, Mr. President.

ST. PAUL-MINNEAPOLIS No. 61 (Leo Latz)—Please take note, all ye members of our division, that the last election resulted in a few changes. Brother Howard Johnson came back to take the reins for 1958. Bro. Ray Perkins is veep. Leo Latz retains his post as secretary (his fifth year). Our new treasurer is none other than James David Jones—not to be confused with the famous author of Ulysses. Our Jones is a whiz at figures. His address is 327 E. Morton St., Paul 7, Minn. Bro. Joe Feely moves up to senior trustee. Bro. Robert Carlson is second trustee and the new trustee is ex-treasurer Ernest Hahn, who resigned the money post due to pressure of work. Bro. David Scheer remains as director and Bro. Marvin Kuhlman is our new sgt.-at-arms.

At the January meeting, President Johnson appointed Brothers A. Benolkin, W. Sweezo, and K. Elmgren to serve on the sick committee. If sick, let one of the committee members or the secretary know. Sec. Latz's phone number is Jackson 9-7909.

NEWARK No. 42 (Oliver McInturff)—At the December meeting of our division the members stood for a minute of silent prayer in memory of our late Grand President, Dr. Arthur L. Roberts.

Brother Albert Balmuth, Chairman of the entertainment committee, announced that tentative plans for the 45th anniversary dinner were being made. The dinner will be held at the Continental restaurant in Newark, June 21, 1958. Details will be announced as soon as arrangements are definitely made.

Bro. Edward Bradley left for a sojourn in Florida with his wife.

THE NATIONAL FRATERNAL SOCIETY OF THE DEAF is a fraternal life insurance association of deaf men and women. It is organized on the lodge system and has branch lodges, called Divisions, in over a hundred principal cities of the United States and Canada.

Objects

The society's objects are: To pay death benefits to the families of members who die; to pay benefits to male members who fall sick or meet accidental injury; to unite all deaf men and women of good health, habits and character in a circle of friendliness and good fellowship for the purpose of helping one another and making life better and happier for all of its members and the deaf as a class.

Death, Sick and Accident Benefits

The society guarantees to pay the beneficiary of a deceased member the amount for which the certificate is written, subject to the requirements and restrictions set forth in the society's laws.

To a member disabled by sickness or accident for two full weeks or longer the society will pay a benefit ranging from \$5.00 to \$25.00 per week, depending on the amount of weekly benefit chosen by the member and for which the required tax is paid. No benefit, however, is paid for less than 14 days' duration; nor can any member draw more than 10 weeks' disability benefit within any twelve consecutive months. (Note: Sick and accident benefits are available to male members only.)

Safeguards

The Society is chartered under the laws of the state of Illinois and is licensed by the insurance departments of thirty-seven other states, and by the Dominion of Canada. An annual report of the society's business for the year and financial condition is made to all these state insurance departments. From time to time, examiners from the Society's home state and from other states make an examination and verify returns made in the annual report.

A voucher system is in use at the home office and every expenditure must have the approval of the Grand President. The Grand Treasurer and treasurers of all the Divisions are bonded. The Board of Trustees makes a monthly audit of the Grand Treasurer's books.

Cost of Joining

The entrance fee is \$3.00 and is always to be paid with the application. In case of rejection the \$3.00 will be refunded. The applicant has also to pay the doctor's fee, if medical examination is necessary.

How to Join

Write to the nearest secretary and ask for an application blank and any further information you may desire.

If you live in a city where there is a Division, see any member or officer of that Division.

If you live very far from any city which has a Division, or in a state in which no Division has yet been organized, write to the Home Office for application blank or information.

If you do not live in or near a Division city you will be attached to some Division as a non-resident member.

In writing for blanks or information be sure and give full name, age, occupation and address.
