## GEORGE ALLEN FUND ESTABLISHED

George Allen, coach and general manager of the Washington Redskins, has established a scholarship fund for Gallaudet College students.

The scholarship recipients will be selected at the beginning of each academic year. The students to be chosen will preferably be athletes, who have played on a varsity team for one year, and have good academic records and can demonstrate financial need. Both males and females are eligible.

Mr. Allen, who became interested in Gallaudet College as a result of his participation in the Gallaudet Forum, will officially announce the scholarship fund to the College on June 12. A press conference will follow a breakfast given by the College in Mr. Allen's honor.
