AMONG OURSELVES

--On September 18, John F. Spellman, program supervisor of Middle School, KDES, will be the guest speaker at Rhode Island School for the Deaf's 100th anniversary banquet. The school was founded in 1876 by Mrs. Lippitt, wife of the then Governor of Rhode Island, so that her deaf daughter would not have to go out of state for her education. Mr. Spellman was a student, teacher and director of adult services at RISD before coming to KDES this fall.

--Larry Berke and Wil Madsen will conduct a workshop for Indiana interpreters on September 24 and 25. While in Indiana they will also be at Cross Roads Rehabilitation Center in Indianapolis to consult on how to improve the Center's communication therapy program.

--Dr. Merrill and Al Pimentel will be talking with California vocational rehabilitation officials in Sacramento on September 14 and 15. While there, they also have an interview scheduled with the Sacramento Bee, the city's largest newspaper.

NO CLASSES ON SEPTEMBER 22 & 23

There will not be any classes on September 22 and 23. The College has cancelled classes for those two days so that faculty, students and interested staff members can attend the Reaccreditation Review meeting. Time and place of the meeting will be announced soon.

CHILDBIRTH CLASSES

The Childbirth Education Association is having a six week session of childbirth classes to help expectant parents understand and prepare for a rewarding experience. Instruction is provided in the Lamaze method of breathing and relaxation. Classes will be held Thursday evenings, 7:00 to 9:30 p.m., from October 14 to November 18 at University Park Church of Christ, Hyattsville, Maryland. Classes will be interpreted in sign language and cost for the six 2-hour classes is \$30. For more information or to register for class, call 779-2786 (TTY or voice).

EMERGENCY MESSAGES ON T.V. CAPTIONED

The Federal Communication Commission has amended its rules to require television stations to transmit all emergency notifications visually as well as aurally so persons with impaired hearing may be made aware of emergency situations. This action becomes effective February 1, 1977.

The National Center for Law and the Deaf has scheduled a press conference for formal announcement of this action. The press conference will be held Friday, September 17, at 10 a.m. in the Dirksen Senate Office Building.
