CULTURAL AFFAIRS

DANCE RESIDENCY PROGRAM

From December 2nd to 4th, the Cultural Affairs Office has planned an unusual and different program which will bring a company of folk dancers to the campus --not simply for a performance, but for a variety of teaching-learning situations with undergraduate students, pupils from MSSD, and Gallaudet faculty members. For example, the dancers will conduct workshops for PE teachers, for Russian and Spanish language students, and for students interested in mime.

The dancers will give two performances while they are on Kendall Green. The first will be a morning presentation on Friday for pupils from MSSD and the local Wilson Elementary School and for senior citizens from the community. The second performance will be on Saturday evening at 5:30 p.m. in the College auditorium. Tickets to this evening performance are \$1.00. Everyone is welcome to attend.

The dance residency program has been made possible through the cooperation of the Student Union, the National Endowment for the Arts, and the Cultural Affairs Office.

WE WANT YOUR HELP!

The Office of Alumni and Public Relations is curious about what feed-back we will get from the general public as a result of the "60 Minutes" program last Sunday evening. If you or your department get phone calls or letters asking for information about the College that are a result of that program, please let our office know! Call Georgette Lopes at 471 and she will keep a list of phone calls and requests for information that are a result of the program.

Also, if you get requests for information and would like the A/PR Office to send background information on the College to an interested individual, we would be happy to send out that information.

If you missed the "60 Minutes" segment on Gallaudet and would like to see it we will be getting a copy for the Library.
