TRAFFIC SURVEY

A campus wide traffic survey will be
conducted by the College's traffic consultant
on Wednesday, November 2nd. The cooperation
of the entire Gallaudet community is needed
to make this an effective survey. Students
and staff members assisting in the survey
will be stationed at various building
entrances. They will be asking, for example,
when you arrived on campus, where you parked,
when you leave, etc. They will also be
conducting car counts at campus parking
facilities all day long.

If you would be interested in helping
to conduct the survey, please contact
Henie Lustgarten in the Planning Office,
797 (voice) or 780 (tty). The survey
should help to plan for better interim
and long range parking on campus.

SURPRISE!!

There's a surprise for those of you
who haven't visited the far end of campus
recently: the old Kendall School is now
a pile of steel and plaster rubble.

Bulldozers started October 20th to
push it to the ground to make way for a
new building some three years in the
future.
