YES! THERE IS A SANTA CLAUS!

The KDES Primary aged children have been collecting newspapers and aluminum cans to finance a June camping trip. They were \$40.00 short of their goal and facing possible disappointment. A check for the \$40.00 has been donated by Doris & Steve Wilson to cover the cost of tent rental. This note and the check were left tacked on the classroom door:

"I never knew the joy of camping when I was a child... we hope you kids enjoy what we missed."

A special thanks to Steve from all the Primary kids!

ATTENTION!

The List of Available Periodicals Related to Deafness, compiled by Steven Frank, Edward Miner Gallaudet Memorial Library staff member, has been accepted for publication by ERIC (Educational Resources Information Center). It will be available in either microfiche (FD-165375) or paper copy after an abstract of the list appears in the June 1979 issue of Resources in Education (RIE).

Copies of this listing may be obtained from the ERIC document reproduction service (using document ordering information found in RIE), Computer Microfilm International Corp., P.O. Box 190, Arlington, Virginia, 22210.

ENERGY TIPS FROM JIM HULL

Want an easy way to save gas and money? Drive 55 mph. Fifty-five is the legal limit, but it's also a great way to save gas. If you slow down from 70 to 55 you'll get 20 more miles from every tank of gas. So, when you're on the highway, remember: "not so fast." Drive at a safe, energy-saving speed. For a free booklet with more energy-saving ideas, write ENERGY, Box 62, Oak Ridge, Tennessee, 37830.
